A GANZE OILAM TALE OF

ALAM HABA

I woke up as I was
stumbling, wading
oddly about in the
cold water of some
drank park
fountain…
I think…
Here I had been
transported, spirited

A GANZE OILAM TALE OF

ALAM HABA

away to somewhere,
that seemed to be
right outside
downtown Frankfort;
while I caught myself
seemingly screaming
(at the top of lungs)
for some old German
bag woman to get her

A GANZE OILAM TALE OF

ALAM HABA

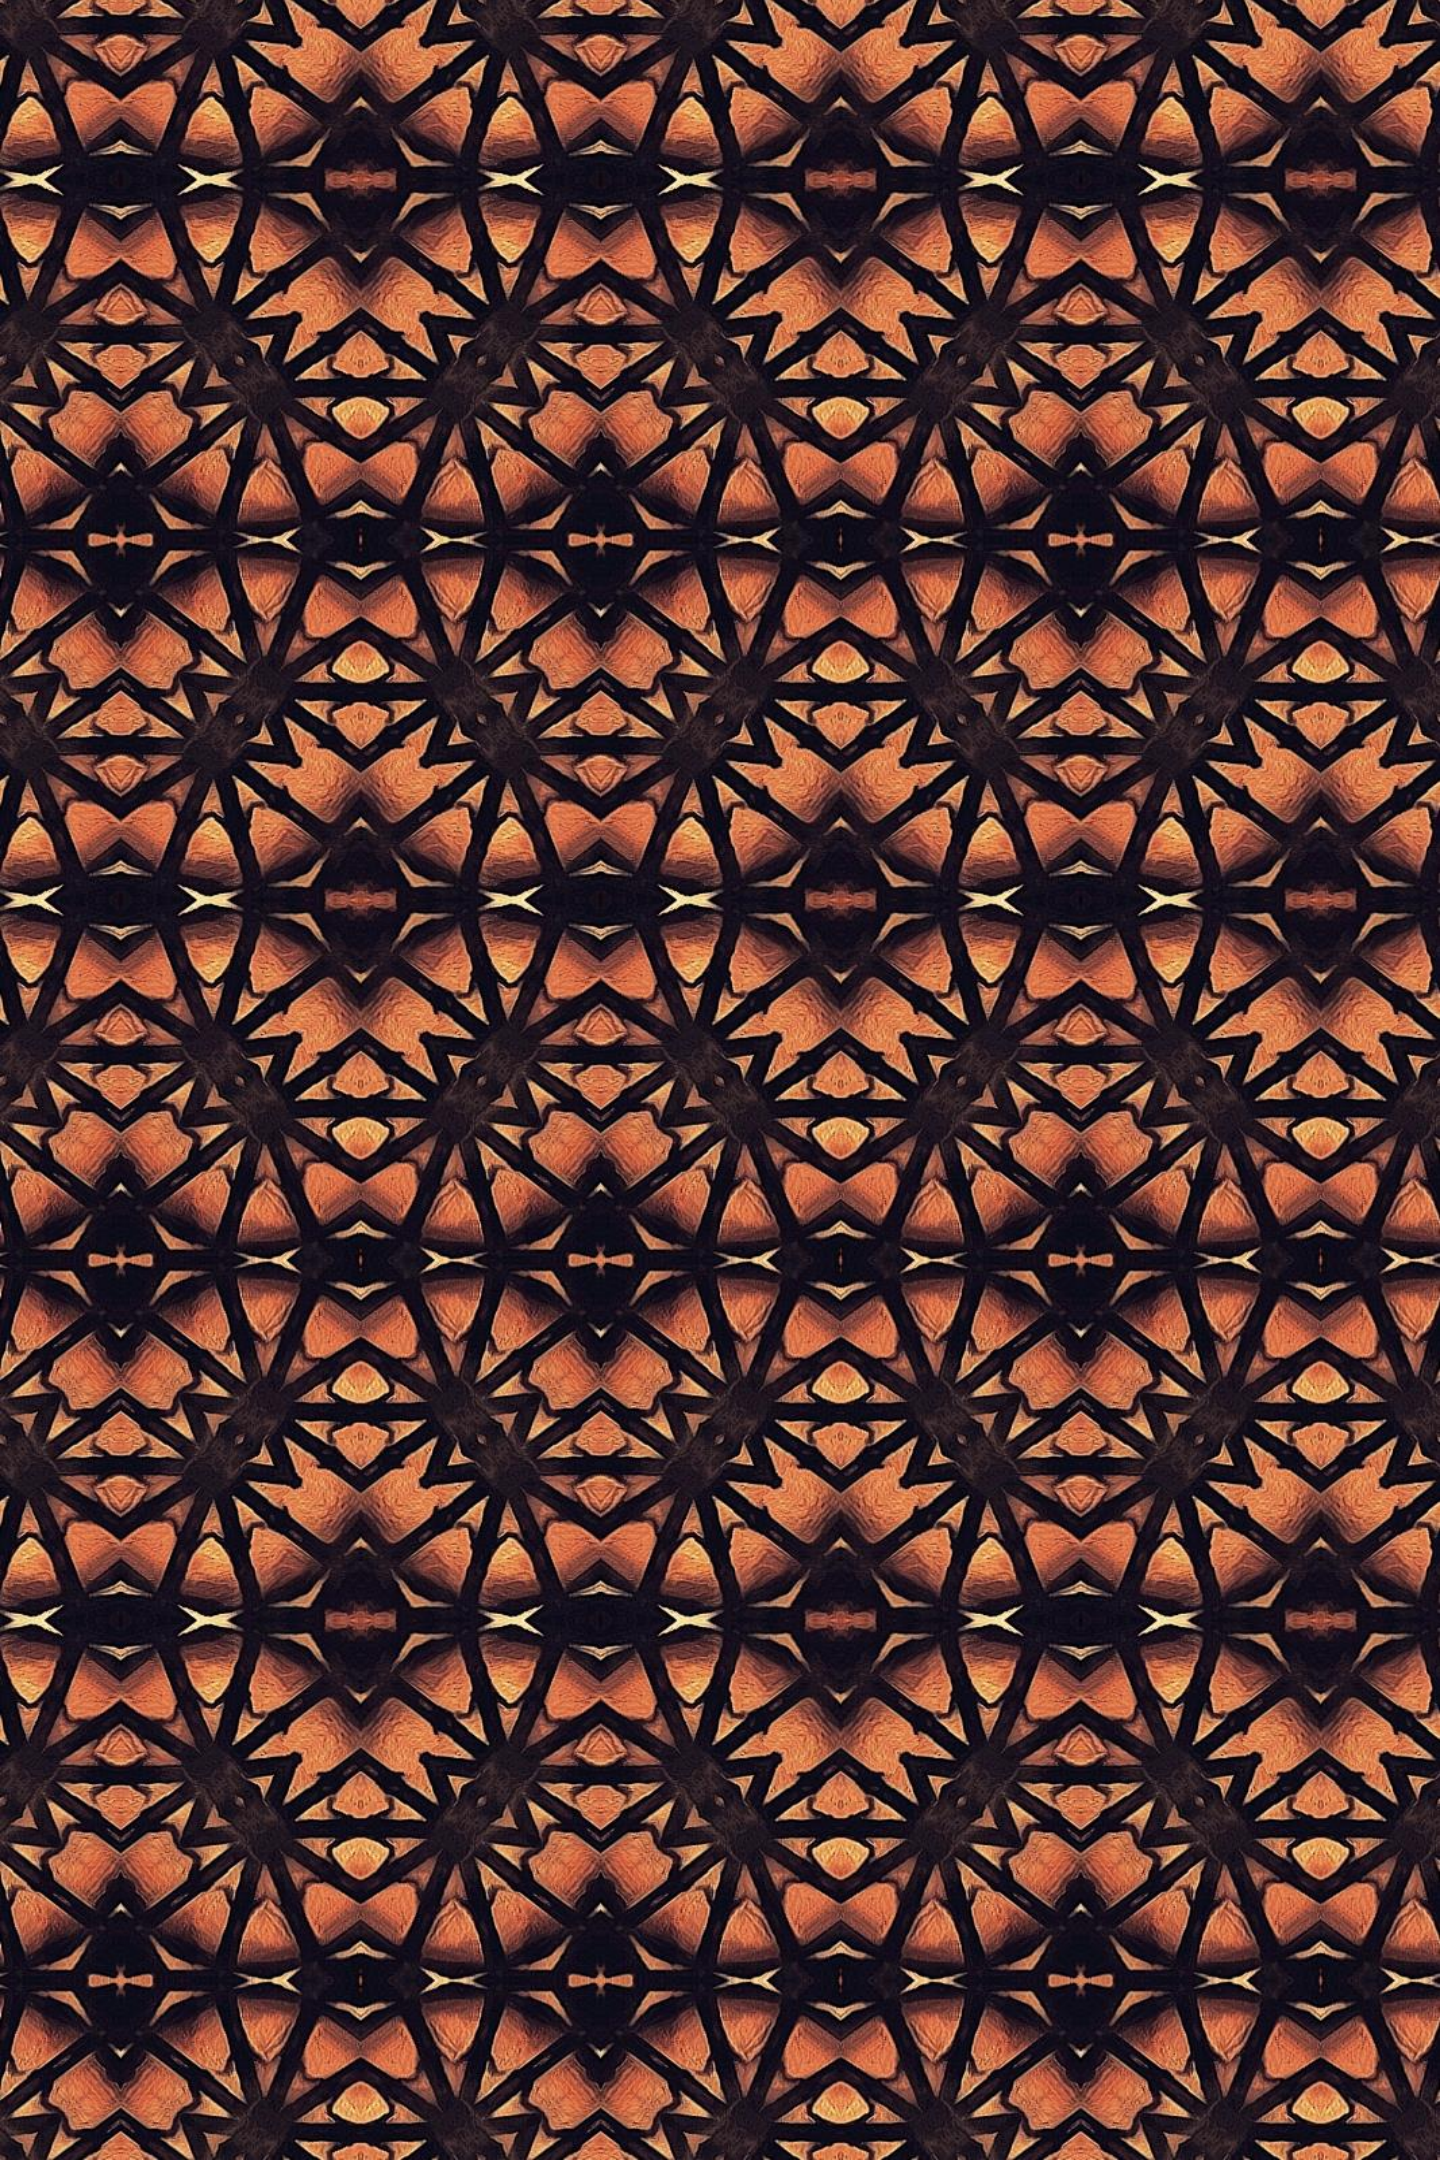

butt away from my
crashed motorcycle.
The last thing that
I truly recall (after
much thought) was
I had gone to visit a
friend at his cool,
walk-up flat in one of
the lesser known

A GANZE OILAM TALE OF

ALAM HABA

tourist traps of Paris
and I vaguely recall
him asking me in a
unusually hushed
tone if I had ever
tried this new Pink
Heron sprinkled on
good Turkish
Hashish…

A GANZE OILAM TALE OF

ALAM HABA

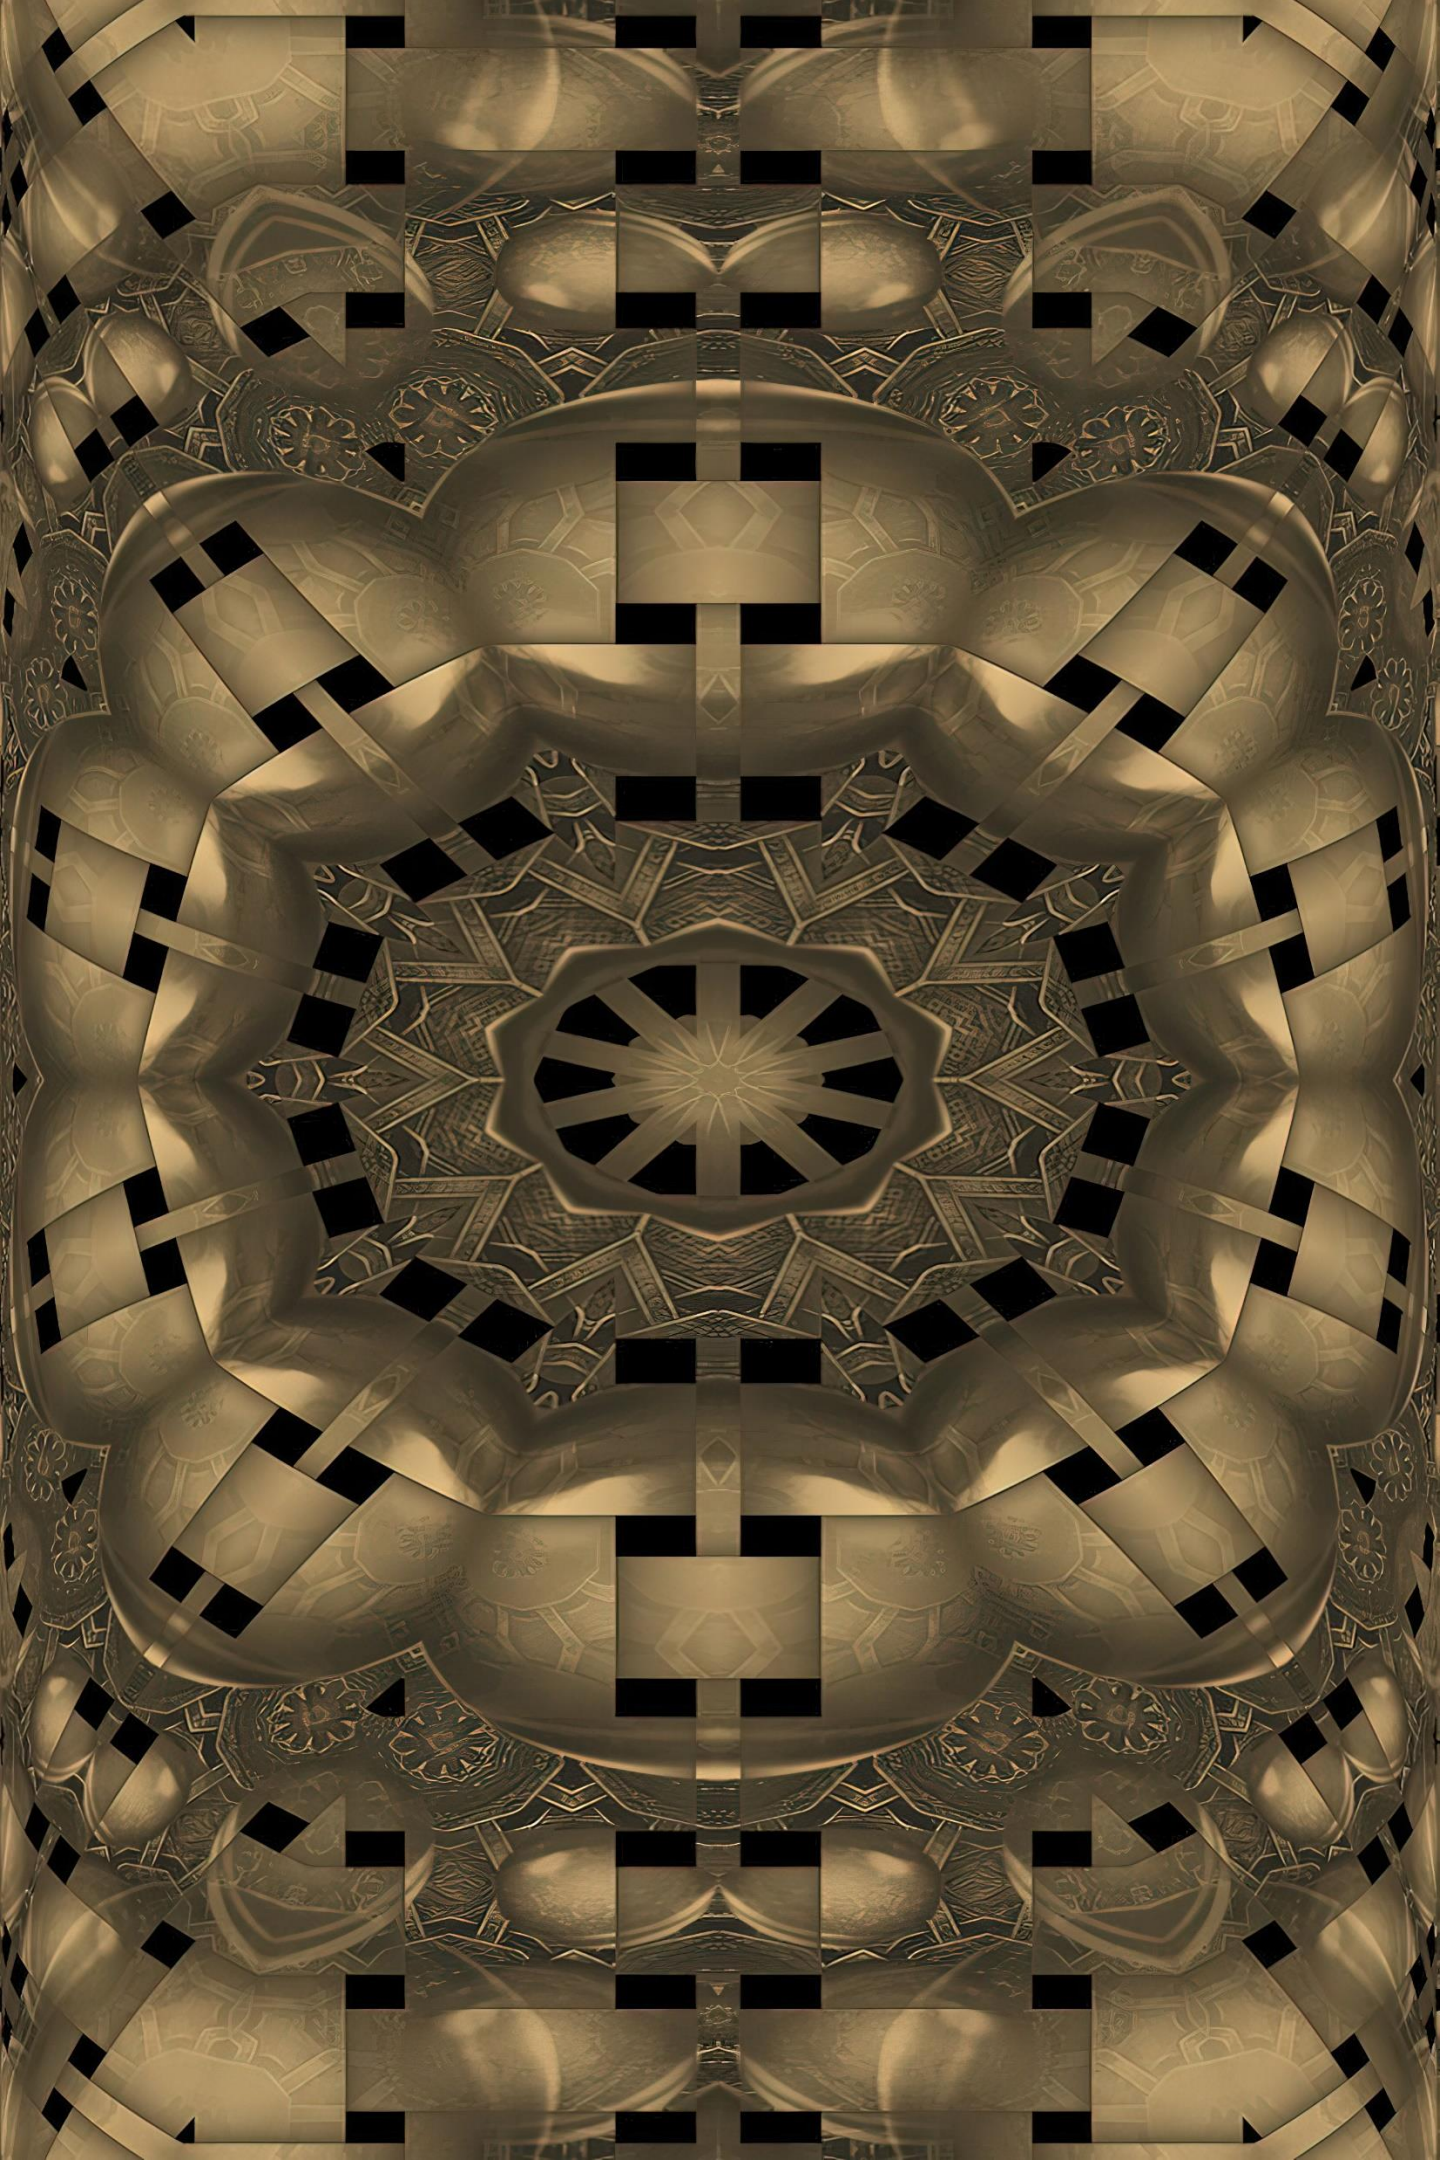

Next thing…I am in
a pitch battle with
some old German Gal
over a motorcycle
which I don't recall
buying.
Not at all sure as to
my real intent
towards my verbal

A GANZE OILAM TALE OF

ALAM HABA

death threats towards
some poor woman
who seemed to have
stopped to see if
I need any assistance
or an ambulance due
to my recent crash;
a passing, local
constable rushed into

A GANZE OILAM TALE OF

ALAM HABA

getting his piece of
whatever massive
lawsuit that was
about to go down and
I could tell from his
frowned expression,
he was NOT at all
overjoyed by it!
A long night in the

A GANZE OILAM TALE OF

ALAM HABA

local Burgomaster's
drunk tank sorted out
the fact that I had
lost three days and
had traveled well over
1,000 kilometers on
a motorcycle that
I couldn't prove was
mine.

A GANZE OILAM TALE OF

ALAM HABA

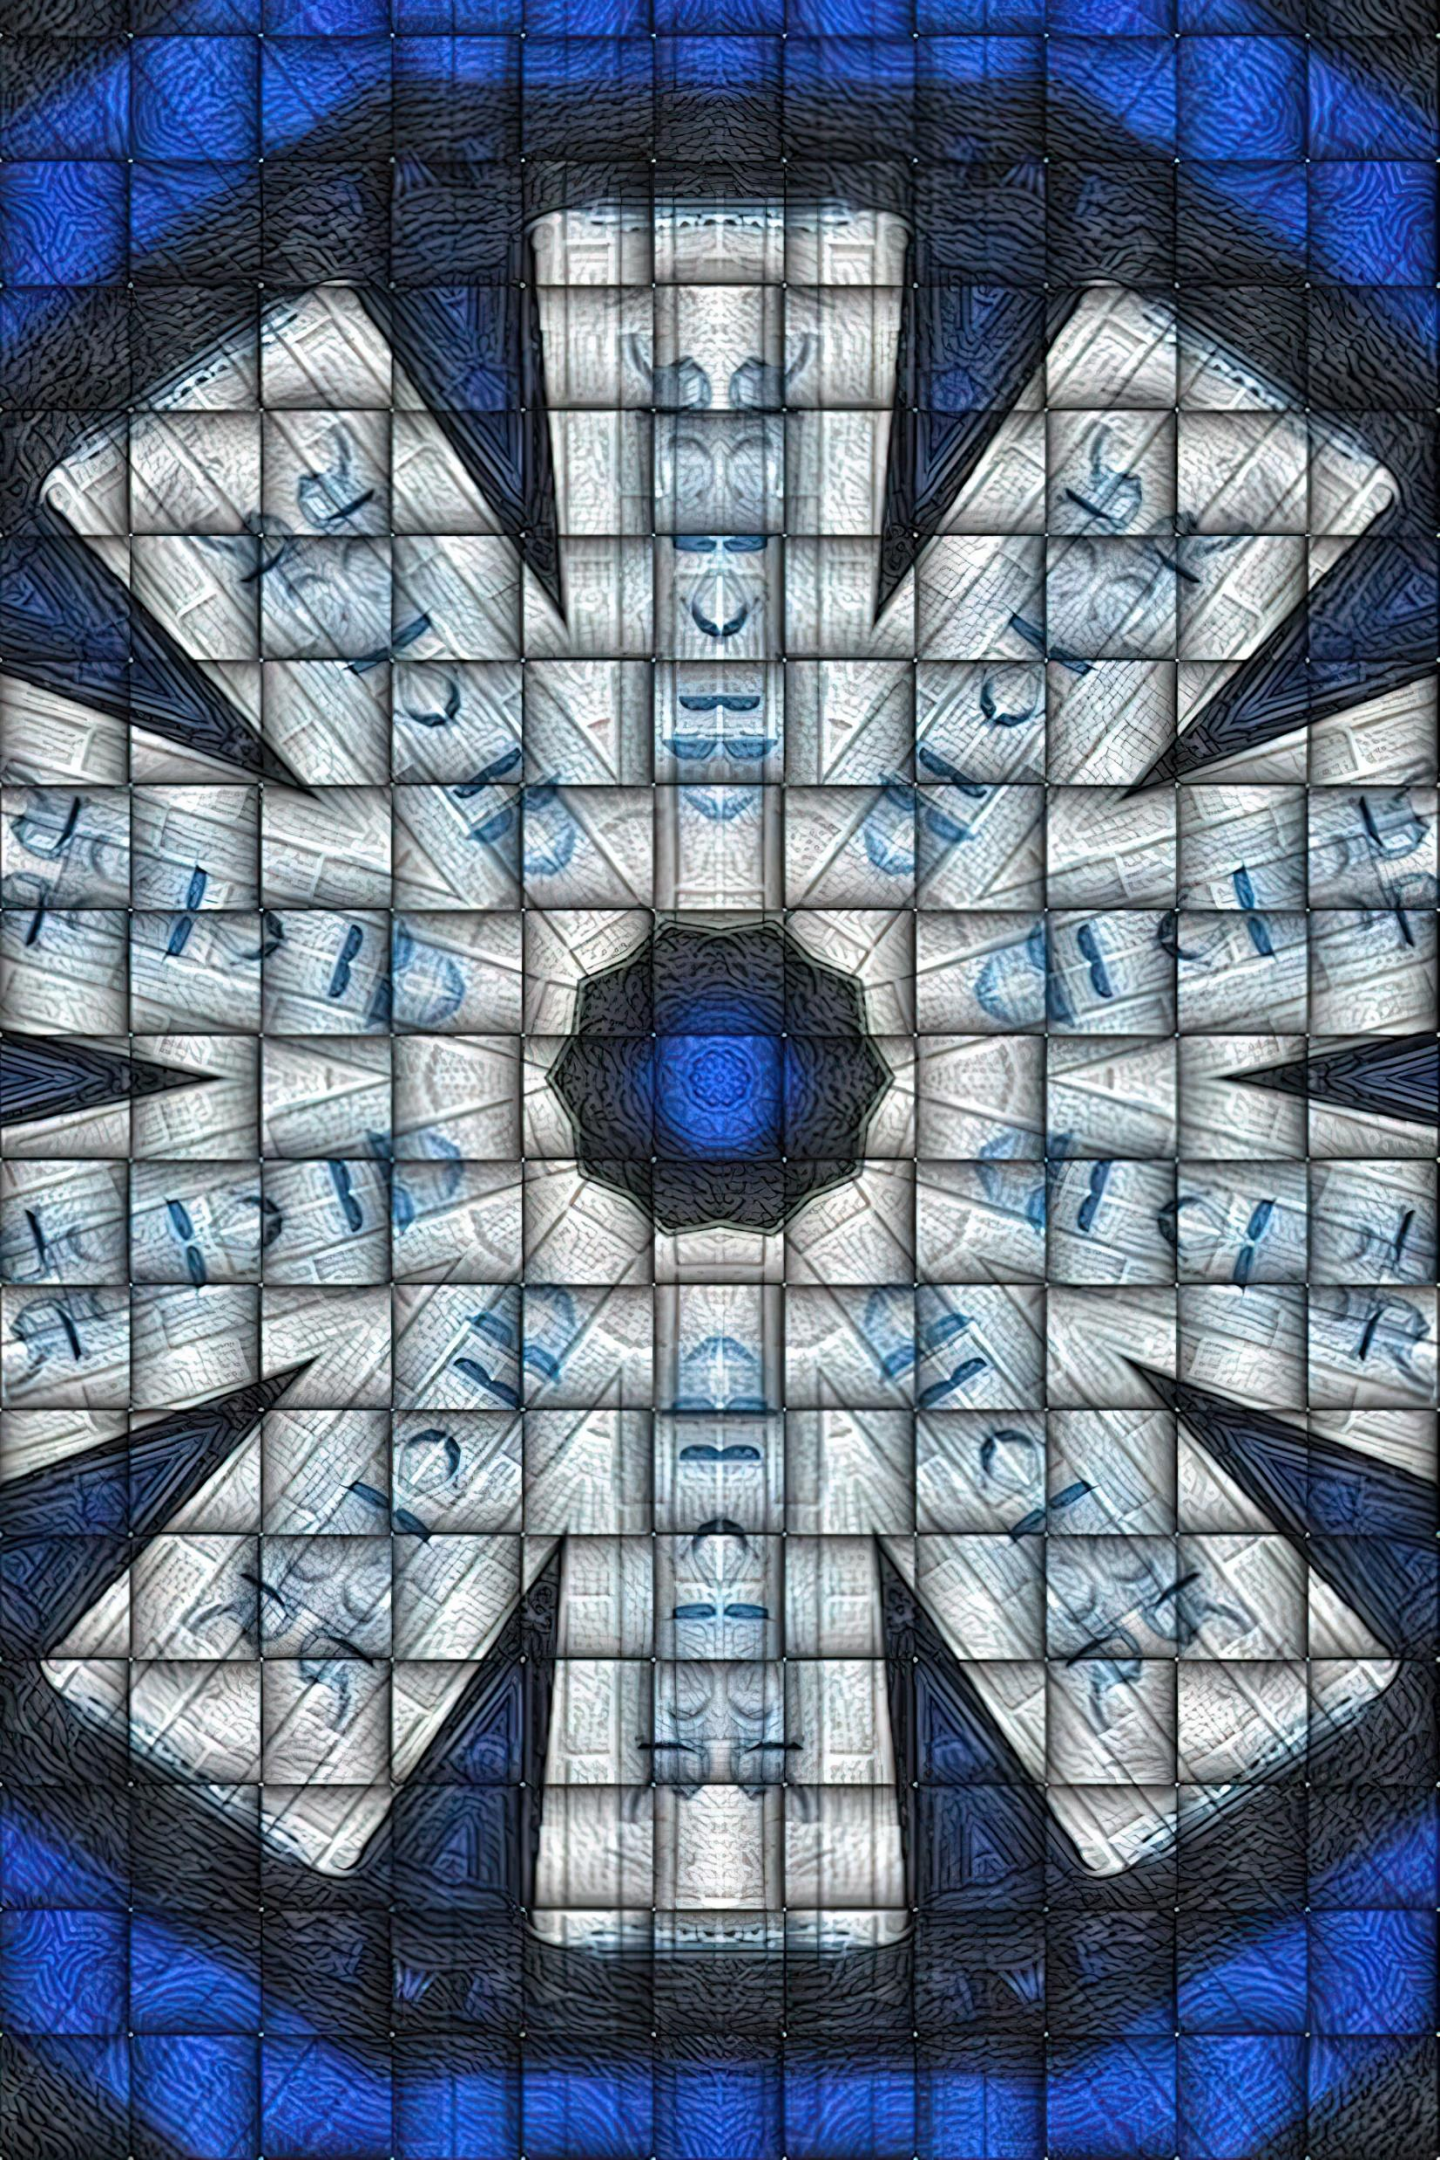

Given that the local
Polizei deemed me as
rather touched in the
head and the sheer
luck that the crash
wacked my last bottle
Cuban Rum and its
strong odor severed
to disguised the real

A GANZE OILAM TALE OF

ALAM HABA

reason of my impairment; I was given a most stern warning about my total lack of proper manners towards my elders (the old German Lady) while they explain how

A GANZE OILAM TALE OF

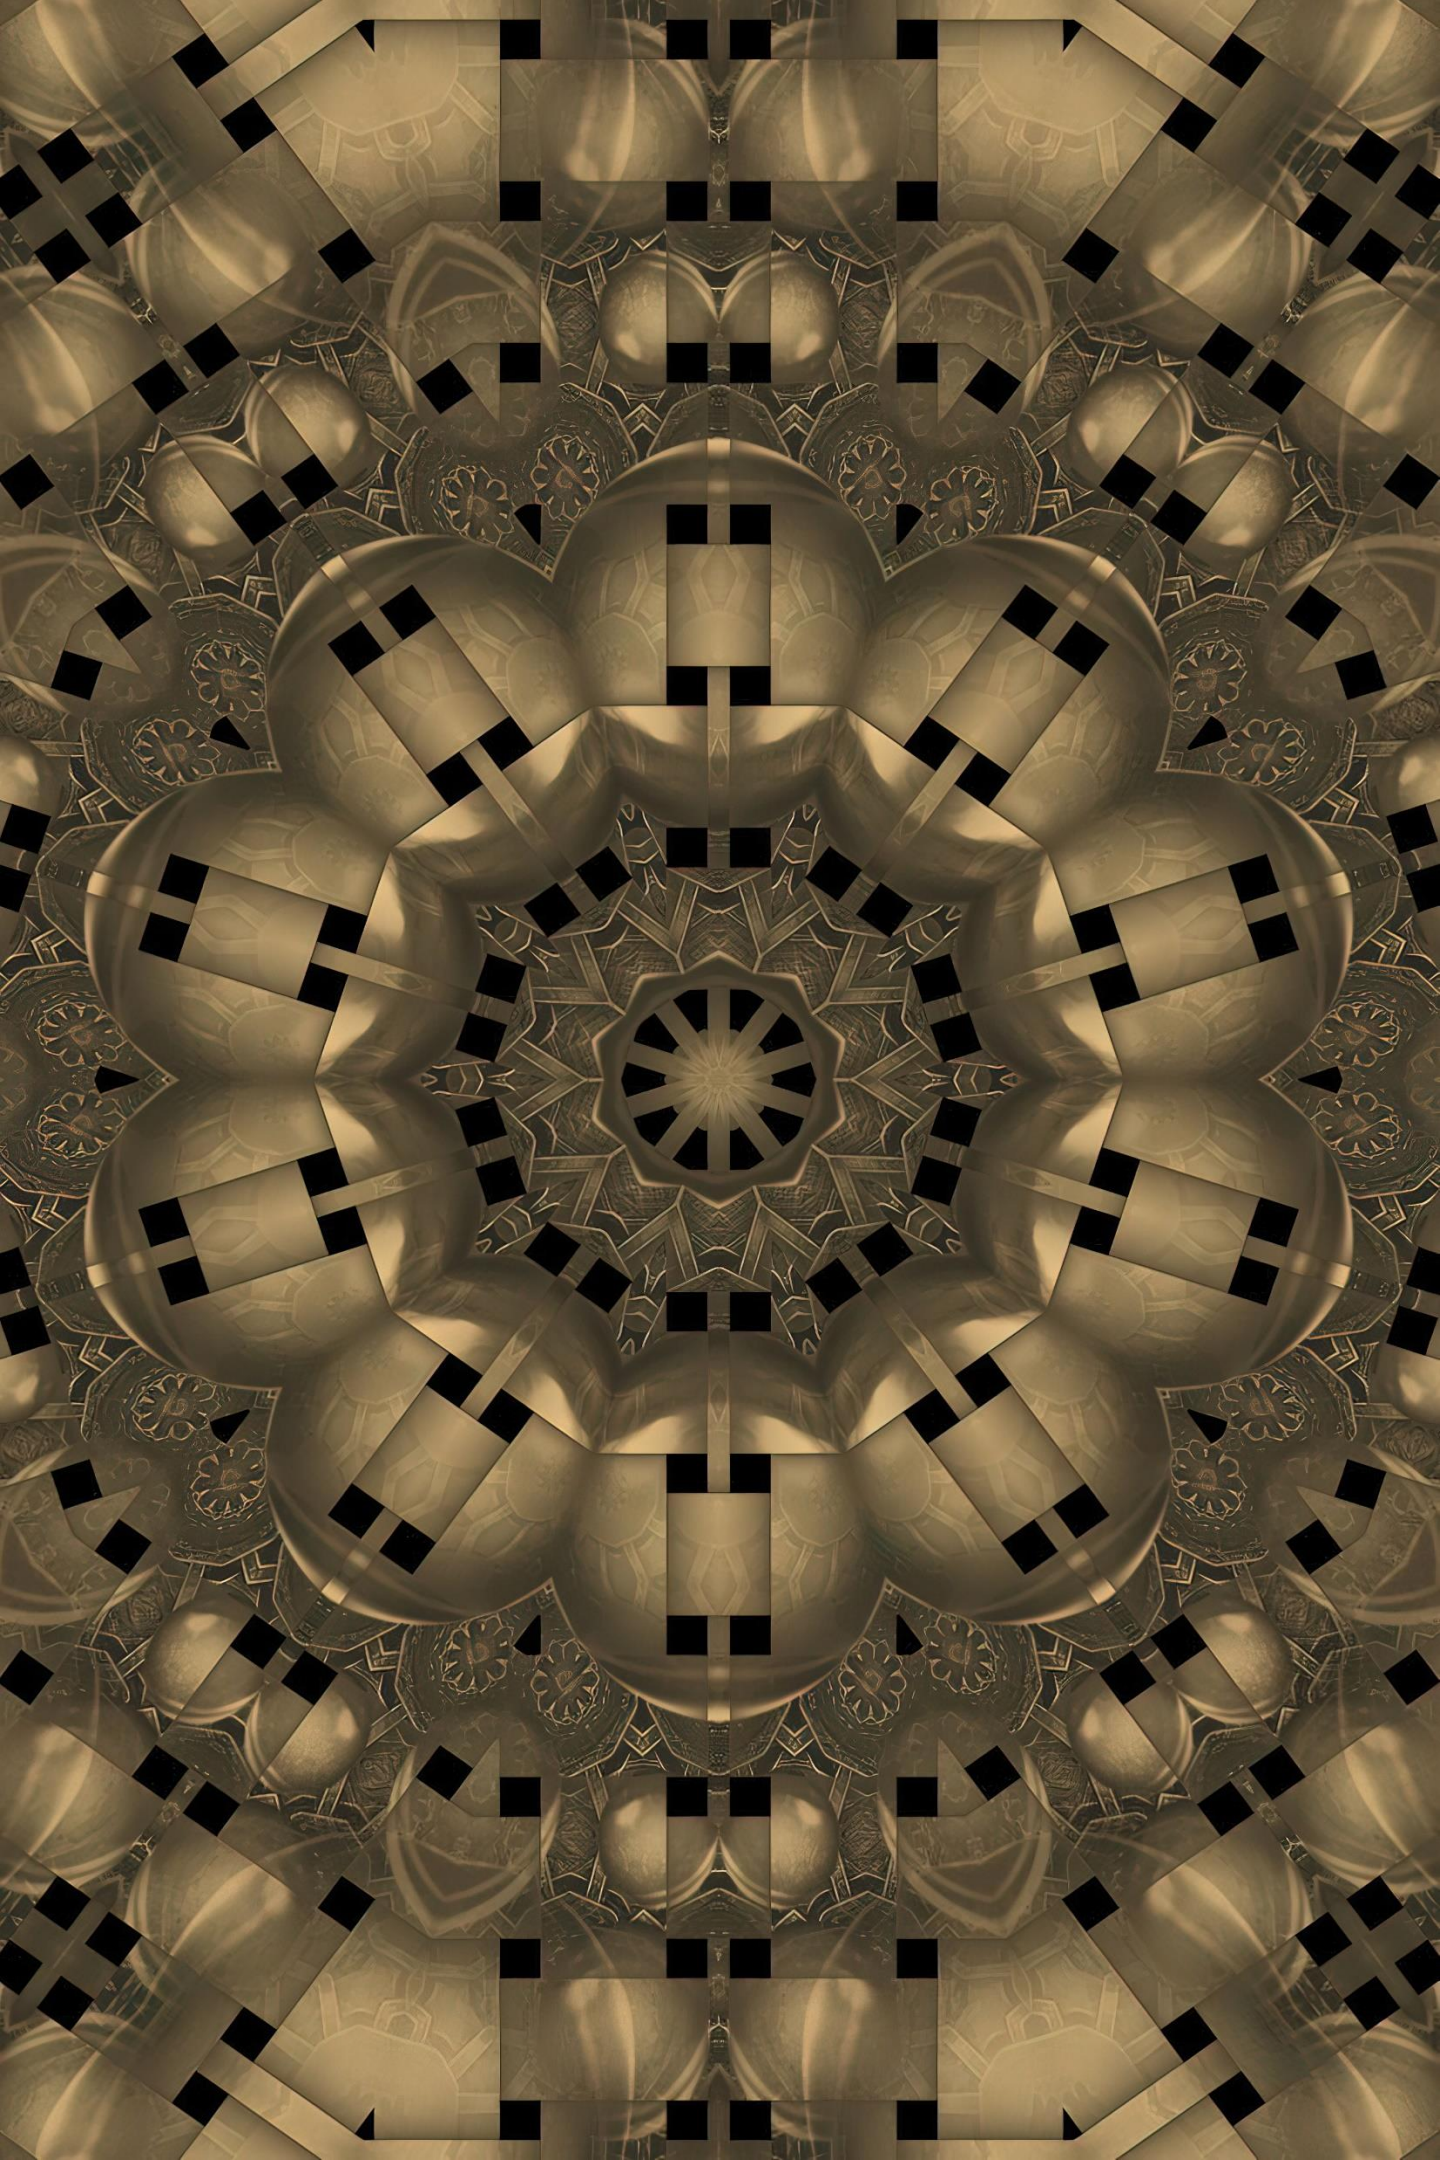

ALAM HABA

they would be
keeping the bike –
which I couldn't
prove ownership and
flipped me bus fair to
the train station.
Seeing that I didn't
have even the
slightest clue as to

A GANZE OILAM TALE OF

ALAM HABA

whose bike this was -
as mine old TR-6 has
been long time ago,
reposed by a rather
rude bill collector who
got on my nerves with
his fake Euro-Trash
accent…like
fingernails running

A GANZE OILAM TALE OF

ALAM HABA

down a faded, high
school blackboard.
So on that note,
I was more than just
a tab bit happy to
leave it with them – it
was all busted up and
given the current
status of my

Money
Over the top
Boy
Boy

A GANZE OILAM TALE OF

ALAM HABA

economic recession; it seems that I would be pushing that big, heavy sucker all the way back to Paris... Bought my third-class ticket for Paris with what was the sum total of my life

A GANZE OILAM TALE OF

ALAM HABA

savings and settled in
on a quiet bench for
the duration for the
long wait for an
evening train back
to Paris.
Not much to share as
adventure(s) can be
sparse even on the

A GANZE OILAM TALE OF

ALAM HABA

cheapest of Hobo Traveling when your pocket change does jingle as I decided to walk over by the nearby mission for an advertised free lunch – better than trying to mooch.

A GANZE OILAM TALE OF

ALAM HABA

There is always a good bet that you will chance upon a gnarly, non-pay-per-view fist fight going on outside the dining hall on any given day or (If with the Salvationaires)

Emi

A GANZE OILAM TALE OF

ALAM HABA

an equally good sing-a-long with some old auntie that you know must have been one hell of a top shelve stripper or with kind-hearted nun type who would be hot (in her own way) if she

A GANZE OILAM TALE OF

ALAM HABA

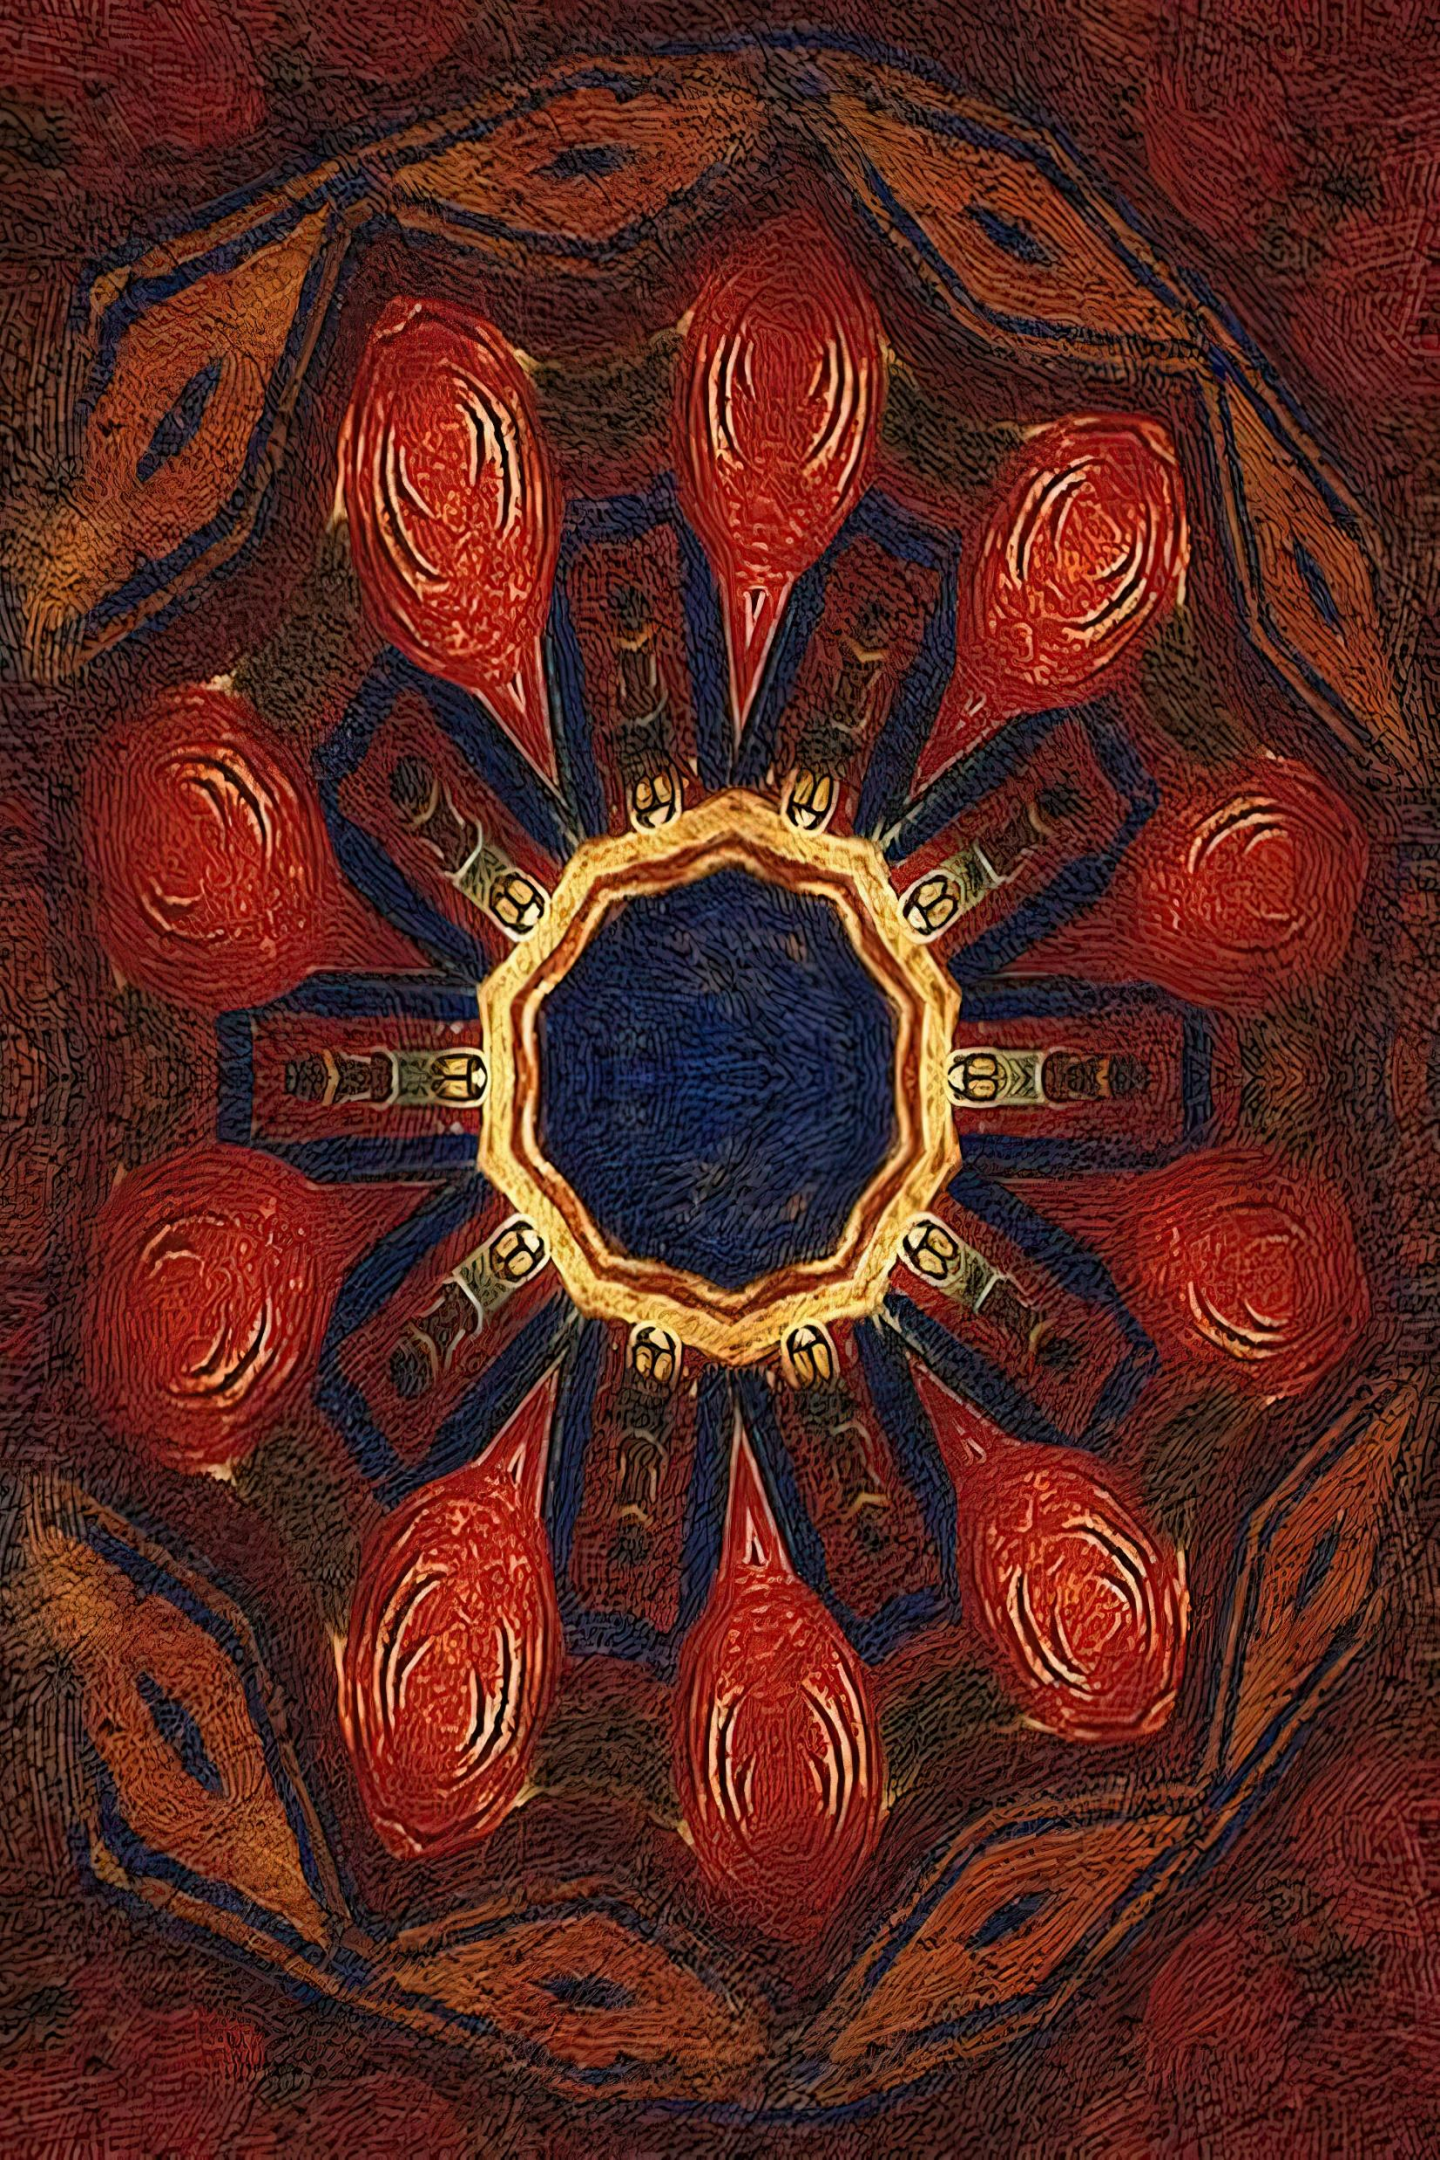

wasn't already
married to God.
Out of the fear of
boredom and a real
urgent need to keep
looking busy as it is
the sworn duty of the
station's rent-a-cops
to quickly give

A GANZE OILAM TALE OF

ALAM HABA

"anyone the gate" if
you even dare to nod
off for more than
a passing glance;
I decided to
reorganize my
backpack was the
best way to stave off
the constant eye of

A GANZE OILAM TALE OF

ALAM HABA

the snarling rent-a-cops who always seemed to hover all around me.
This is where I discovered this notebook of odd sketching that harbored a lot of

A GANZE OILAM TALE OF

ALAM HABA

troubling images that
even by my own low
bar standards when it
comes to all issues of
deviant behavior.
Set all that aside and
you must say that
I must have been a
true busy bee over

A GANZE OILAM TALE OF

ALAM HABA

these past three days or I must give Old Lady Luck a true, heartfelt shoutout for going far beyond her normal low-rent, half-assed Guardian Angel Gig by dropping this neat book into a

Emil

A GANZE OILAM TALE OF

ALAM HABA

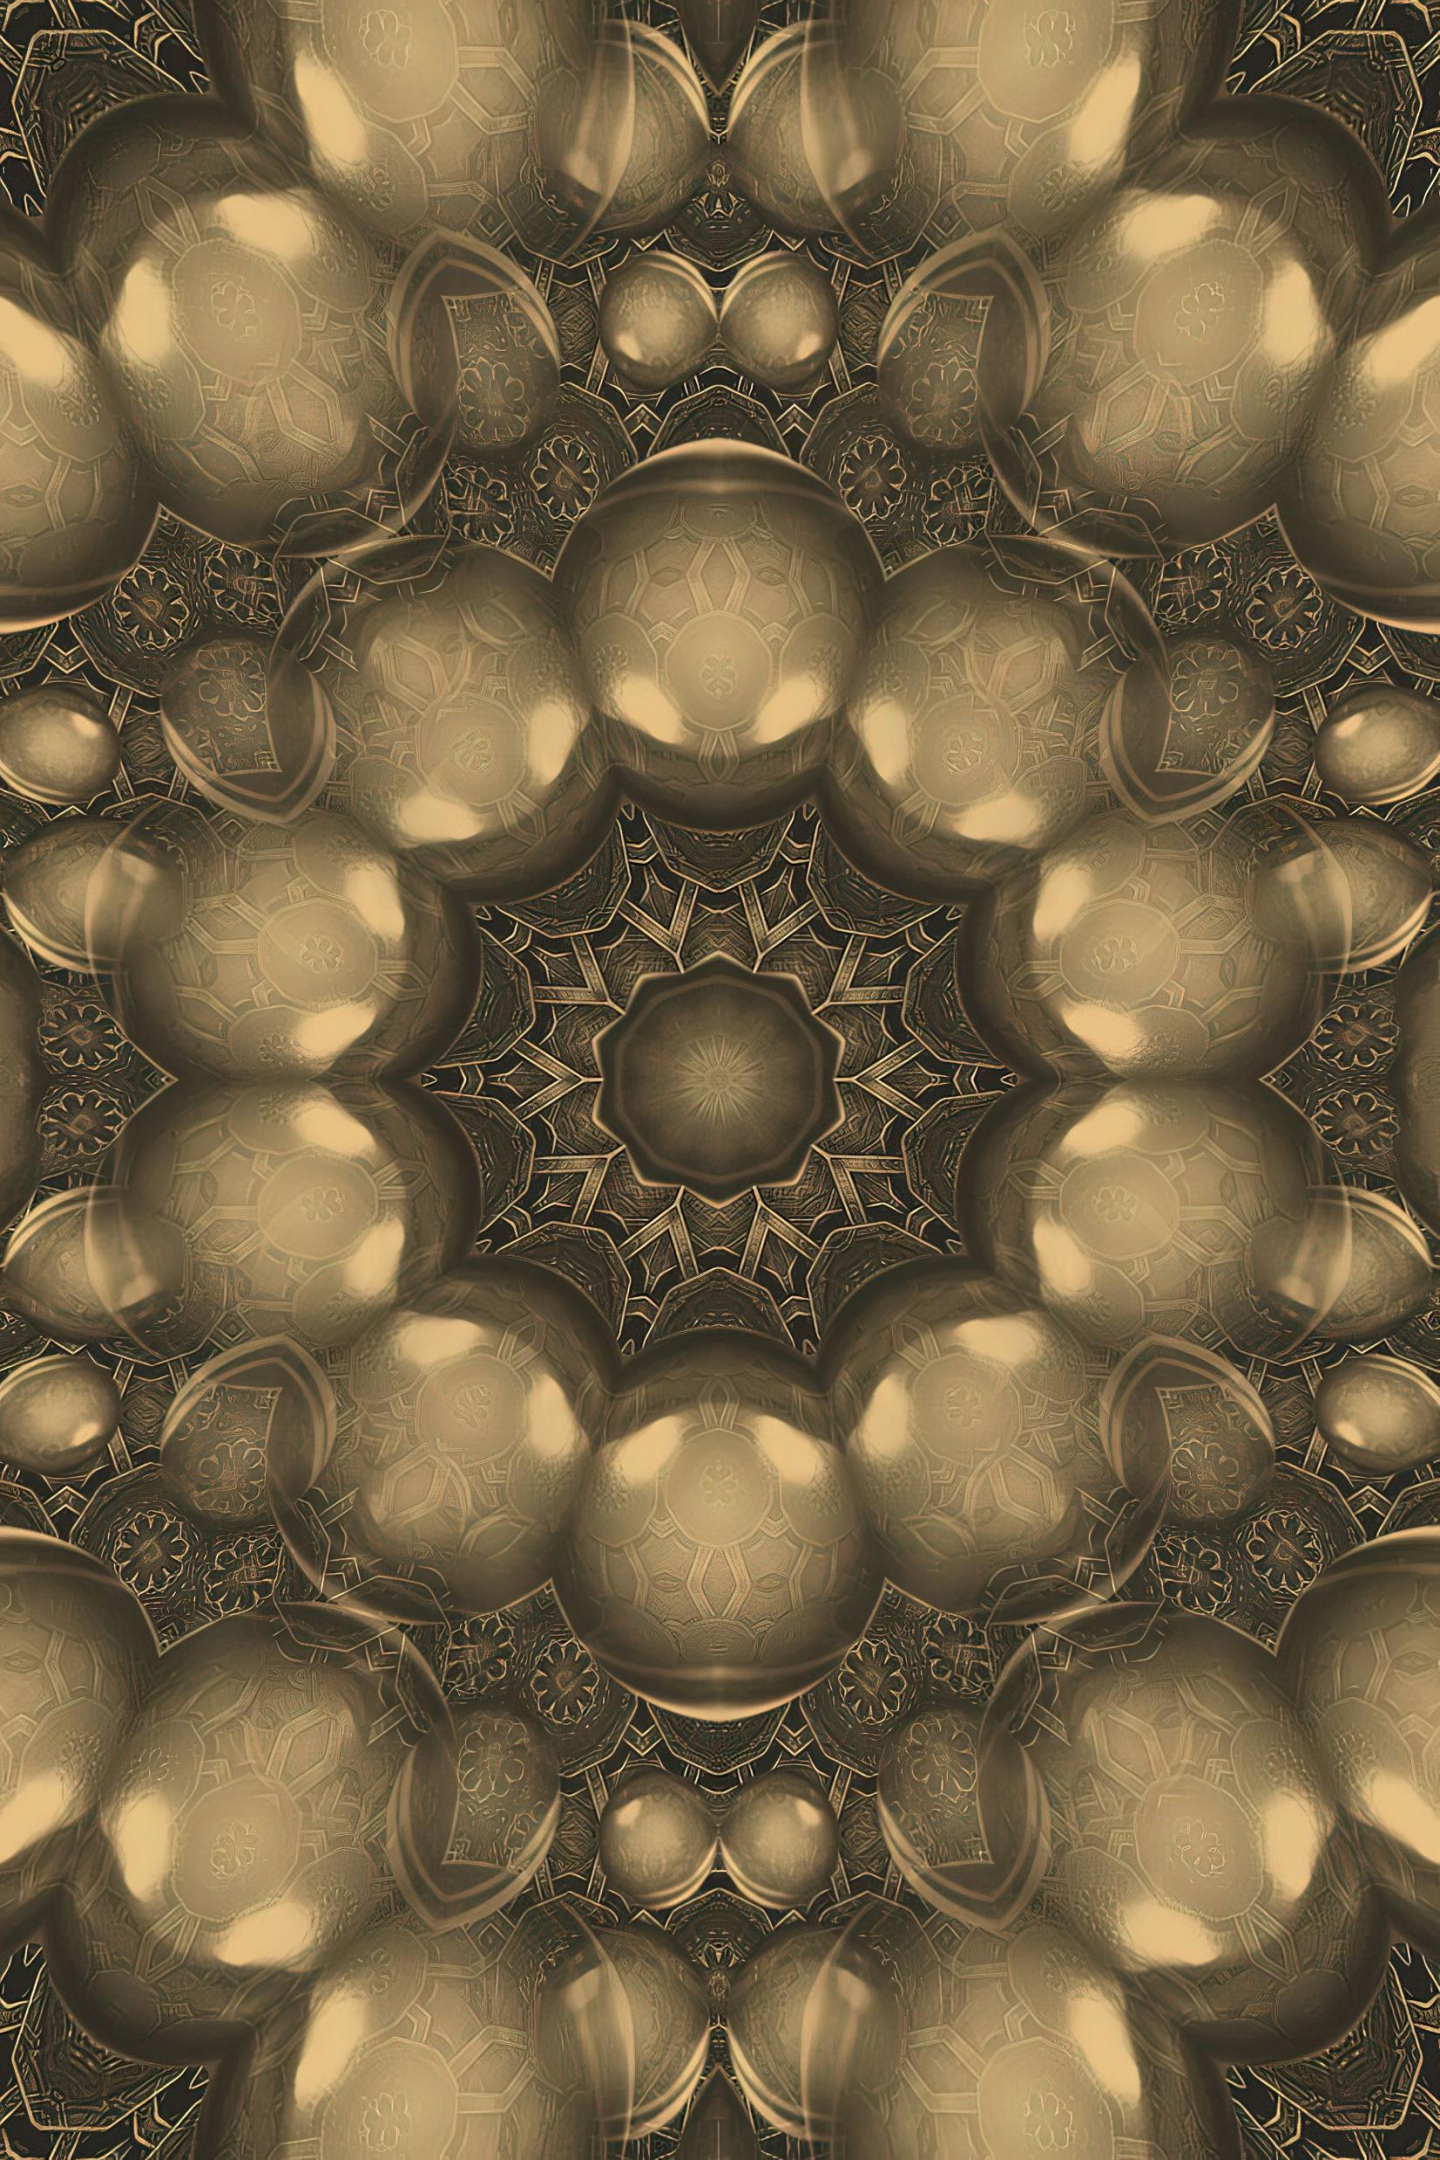

backpack that I don't remember having. This strange notebook was a true God send (I use the term somewhat loosely) in that my next project was past due way over a week ago and long

A GANZE OILAM TALE OF

ALAM HABA

before my estimated
departure date on this
lost Hobo Adventure.
Like the old man
always was keen to
drill into me:
“Never kick a
dead horse…”
My final conclusion

A GANZE OILAM TALE OF

ALAM HABA

(after much thought and consideration) is that I should freely embrace this mana from whatever, deviant source from which it came and merely say:

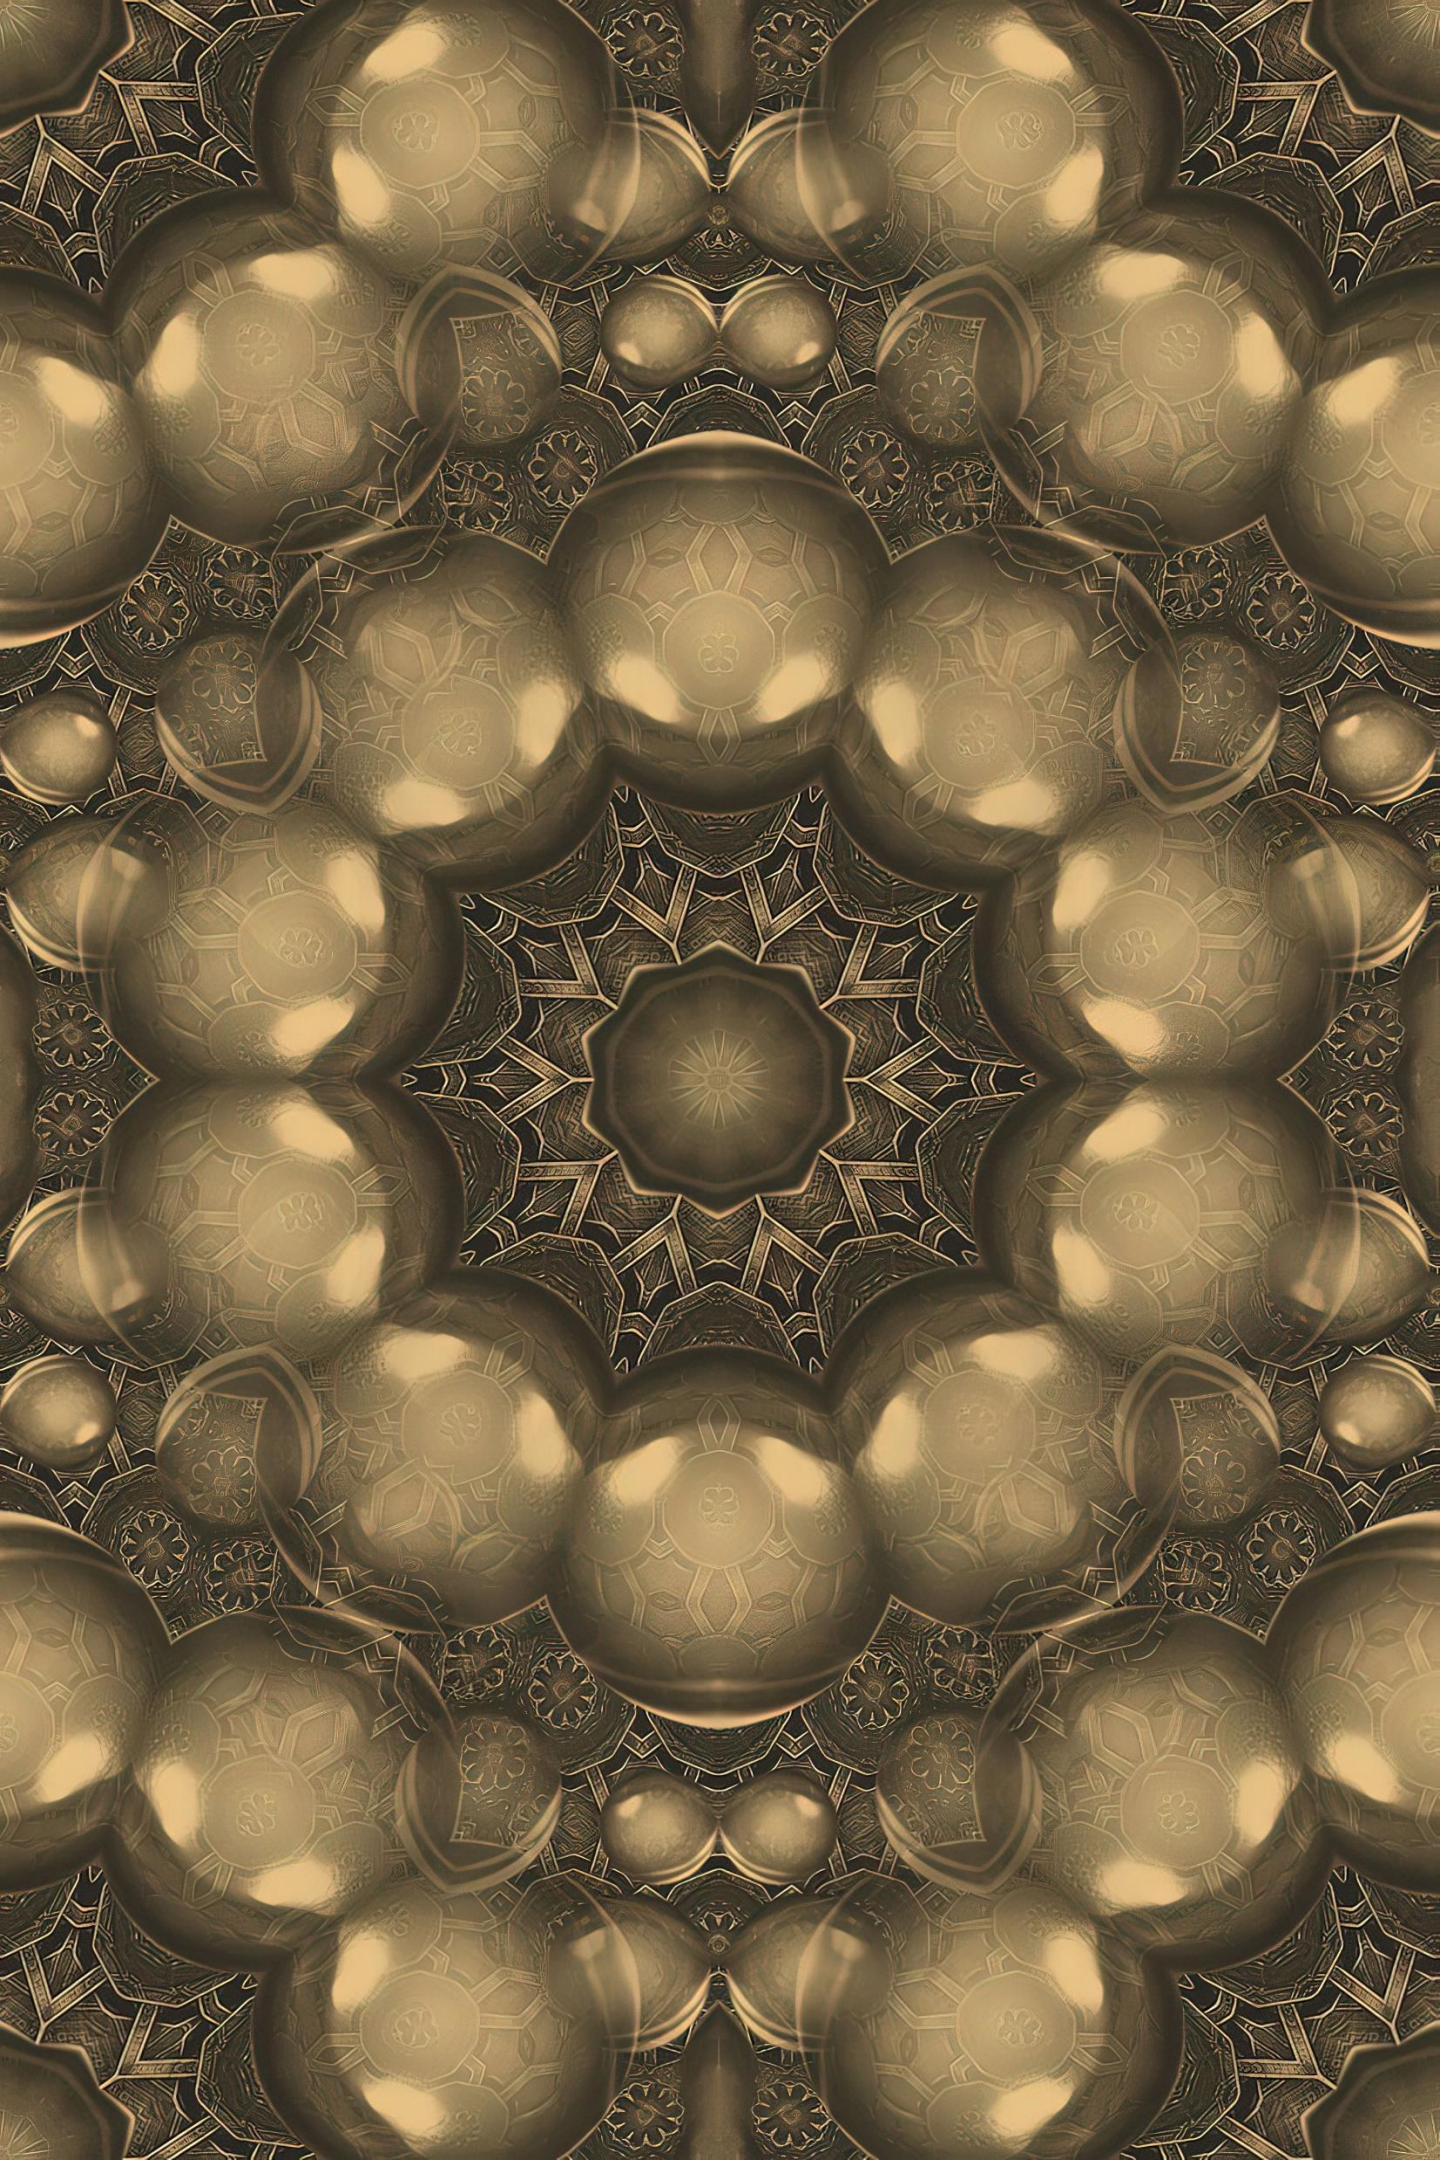

"THANK YOU!"

A GANZE OILAM TALE OF

ALAM HABA

and then, to quietly move on after my advance check from WWWG clears. Once I'm back in Paris, my first task will be to locate the nearest post office and send this finished

A GANZE OILAM TALE OF

ALAM HABA

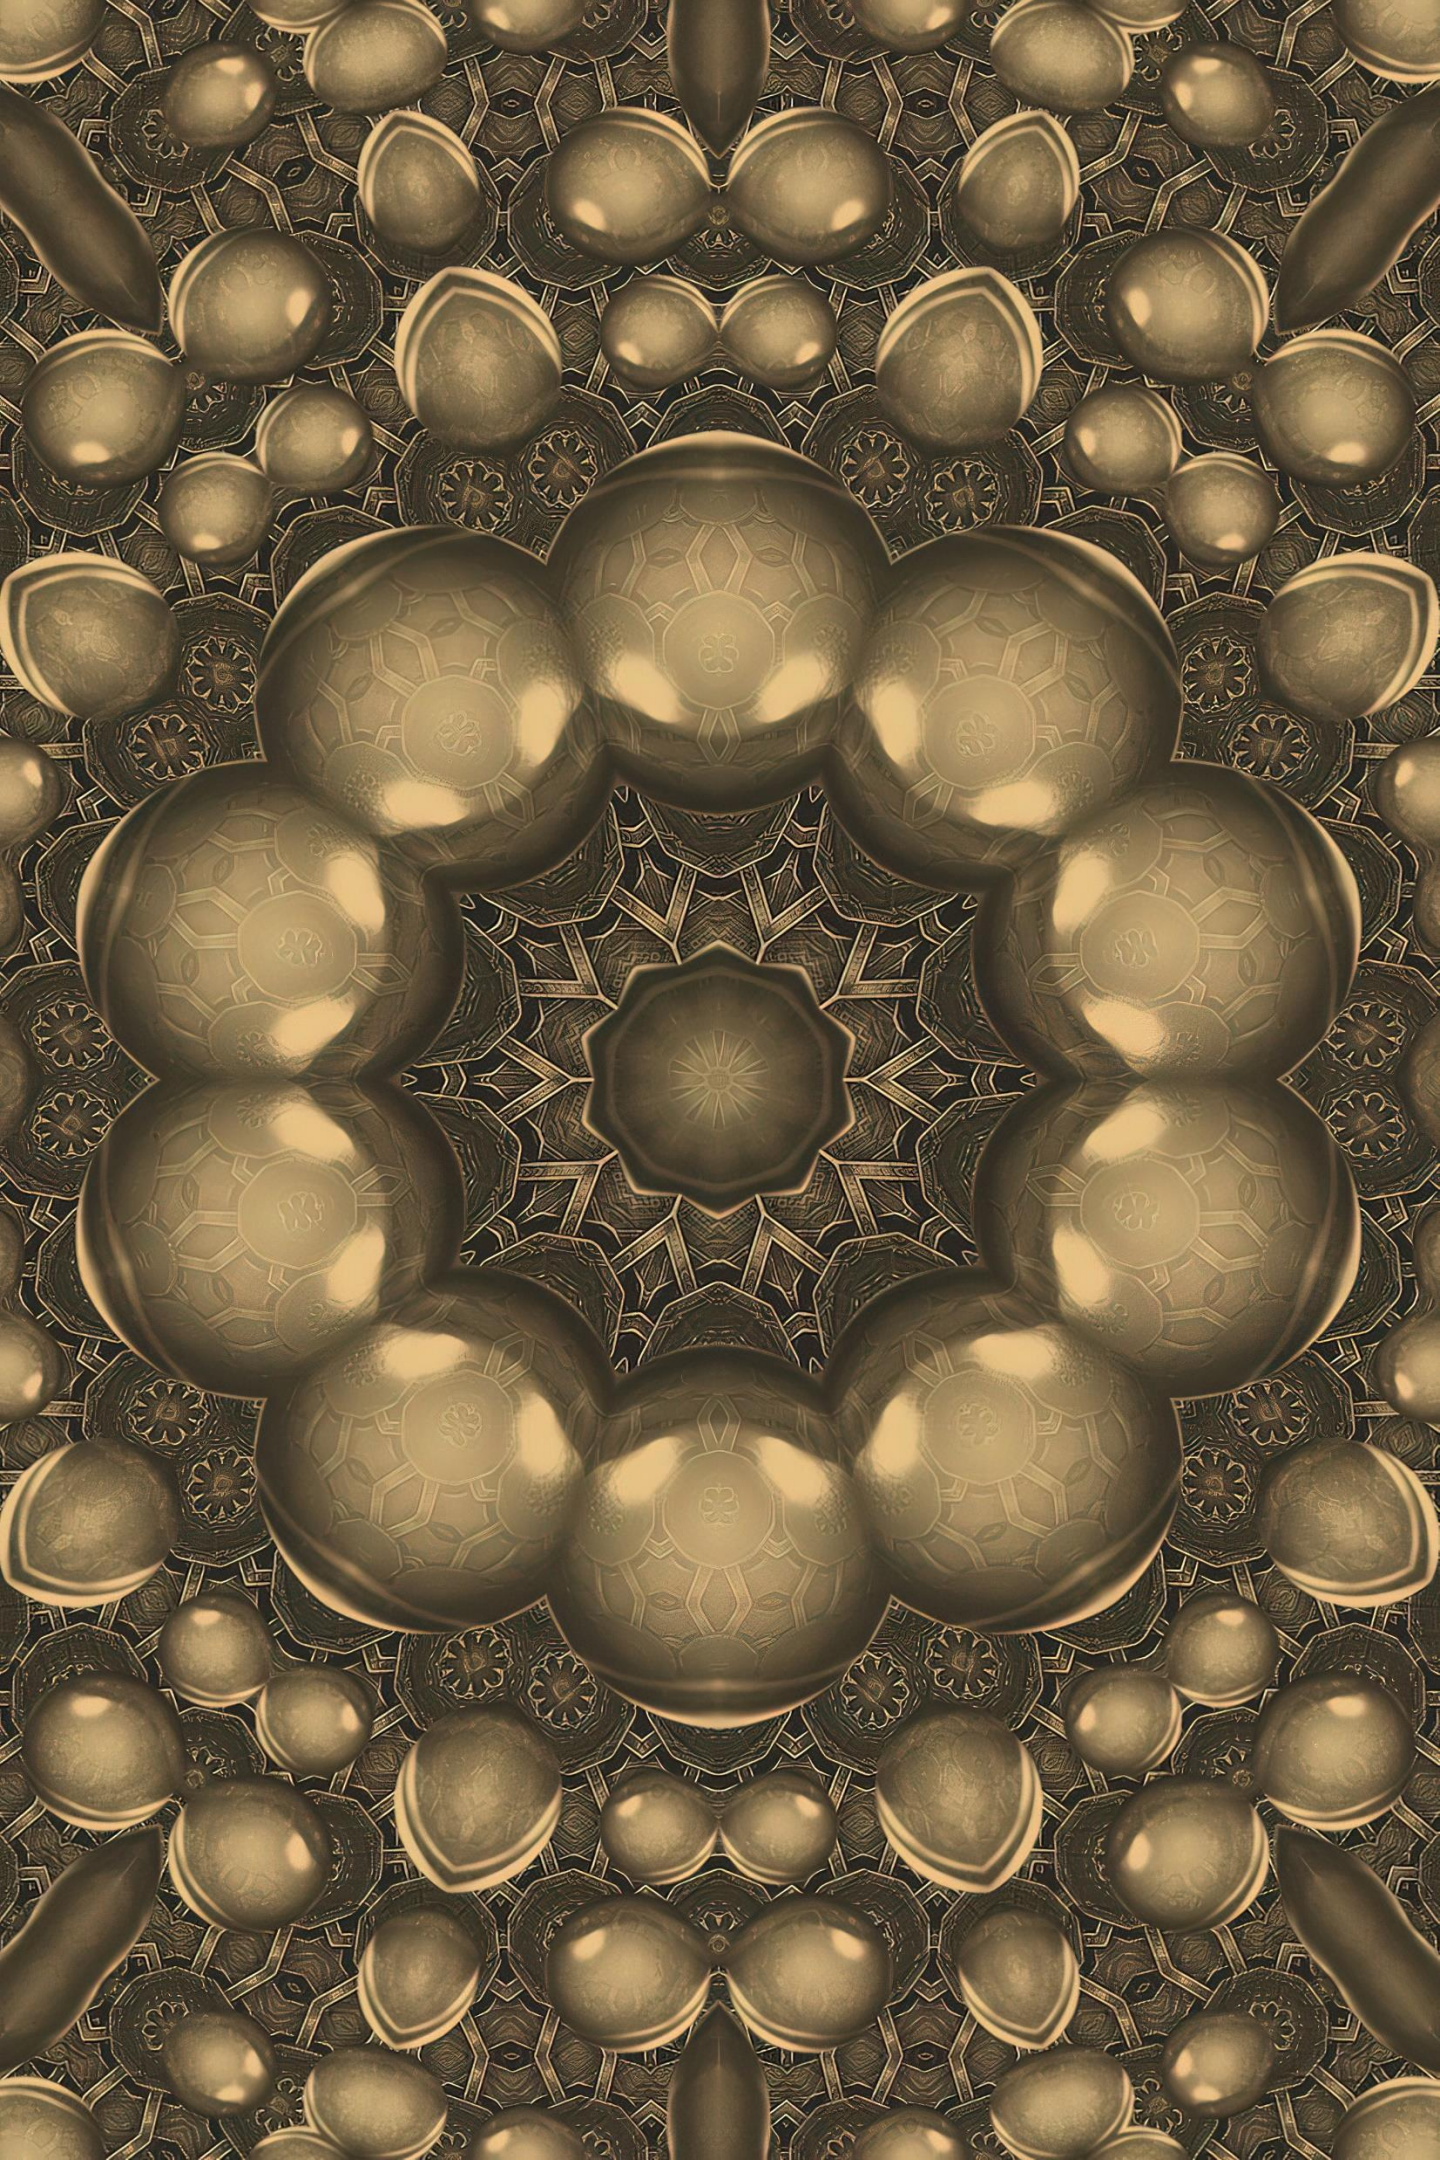

work by COD
Registered Mail (don't want it to get lost and since it is COD…cost is NOT an issue, thank you!) this off to my corporate slave masters in Singapore and leave it to them

Emil

A GANZE OILAM TALE OF

ALAM HABA

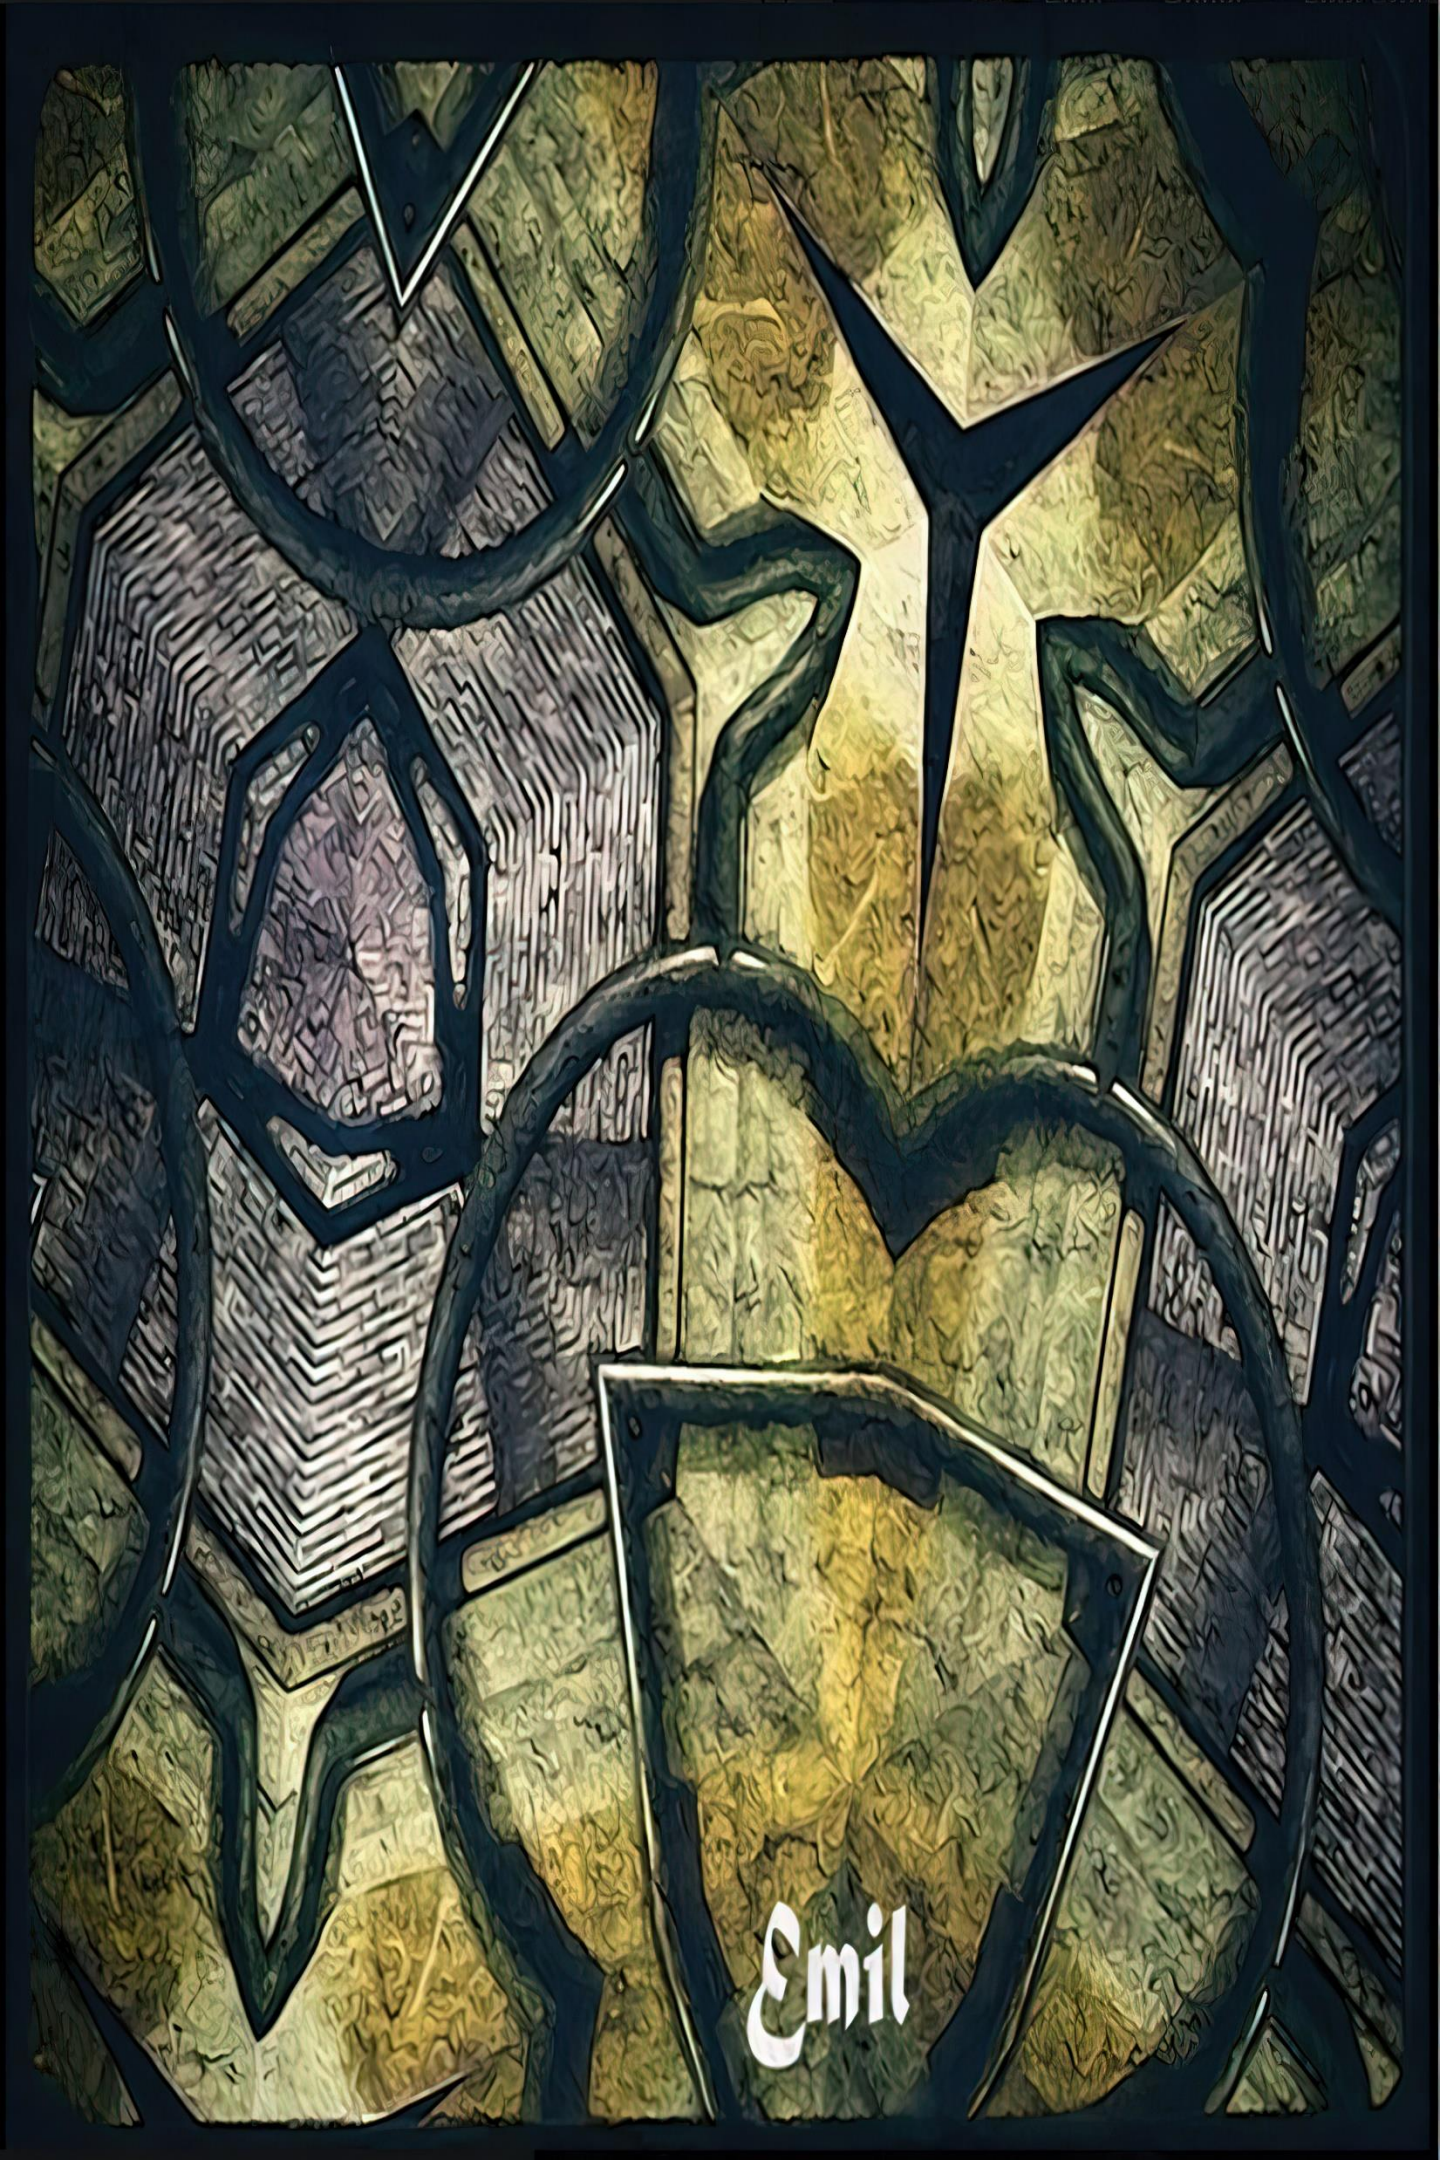

to figure out how to
market this…
knowing that they
will not think highly
of my very creative
title:
"Why Emil can't blink."
While many of you
have already

A GANZE OILAM TALE OF

ALAM HABA

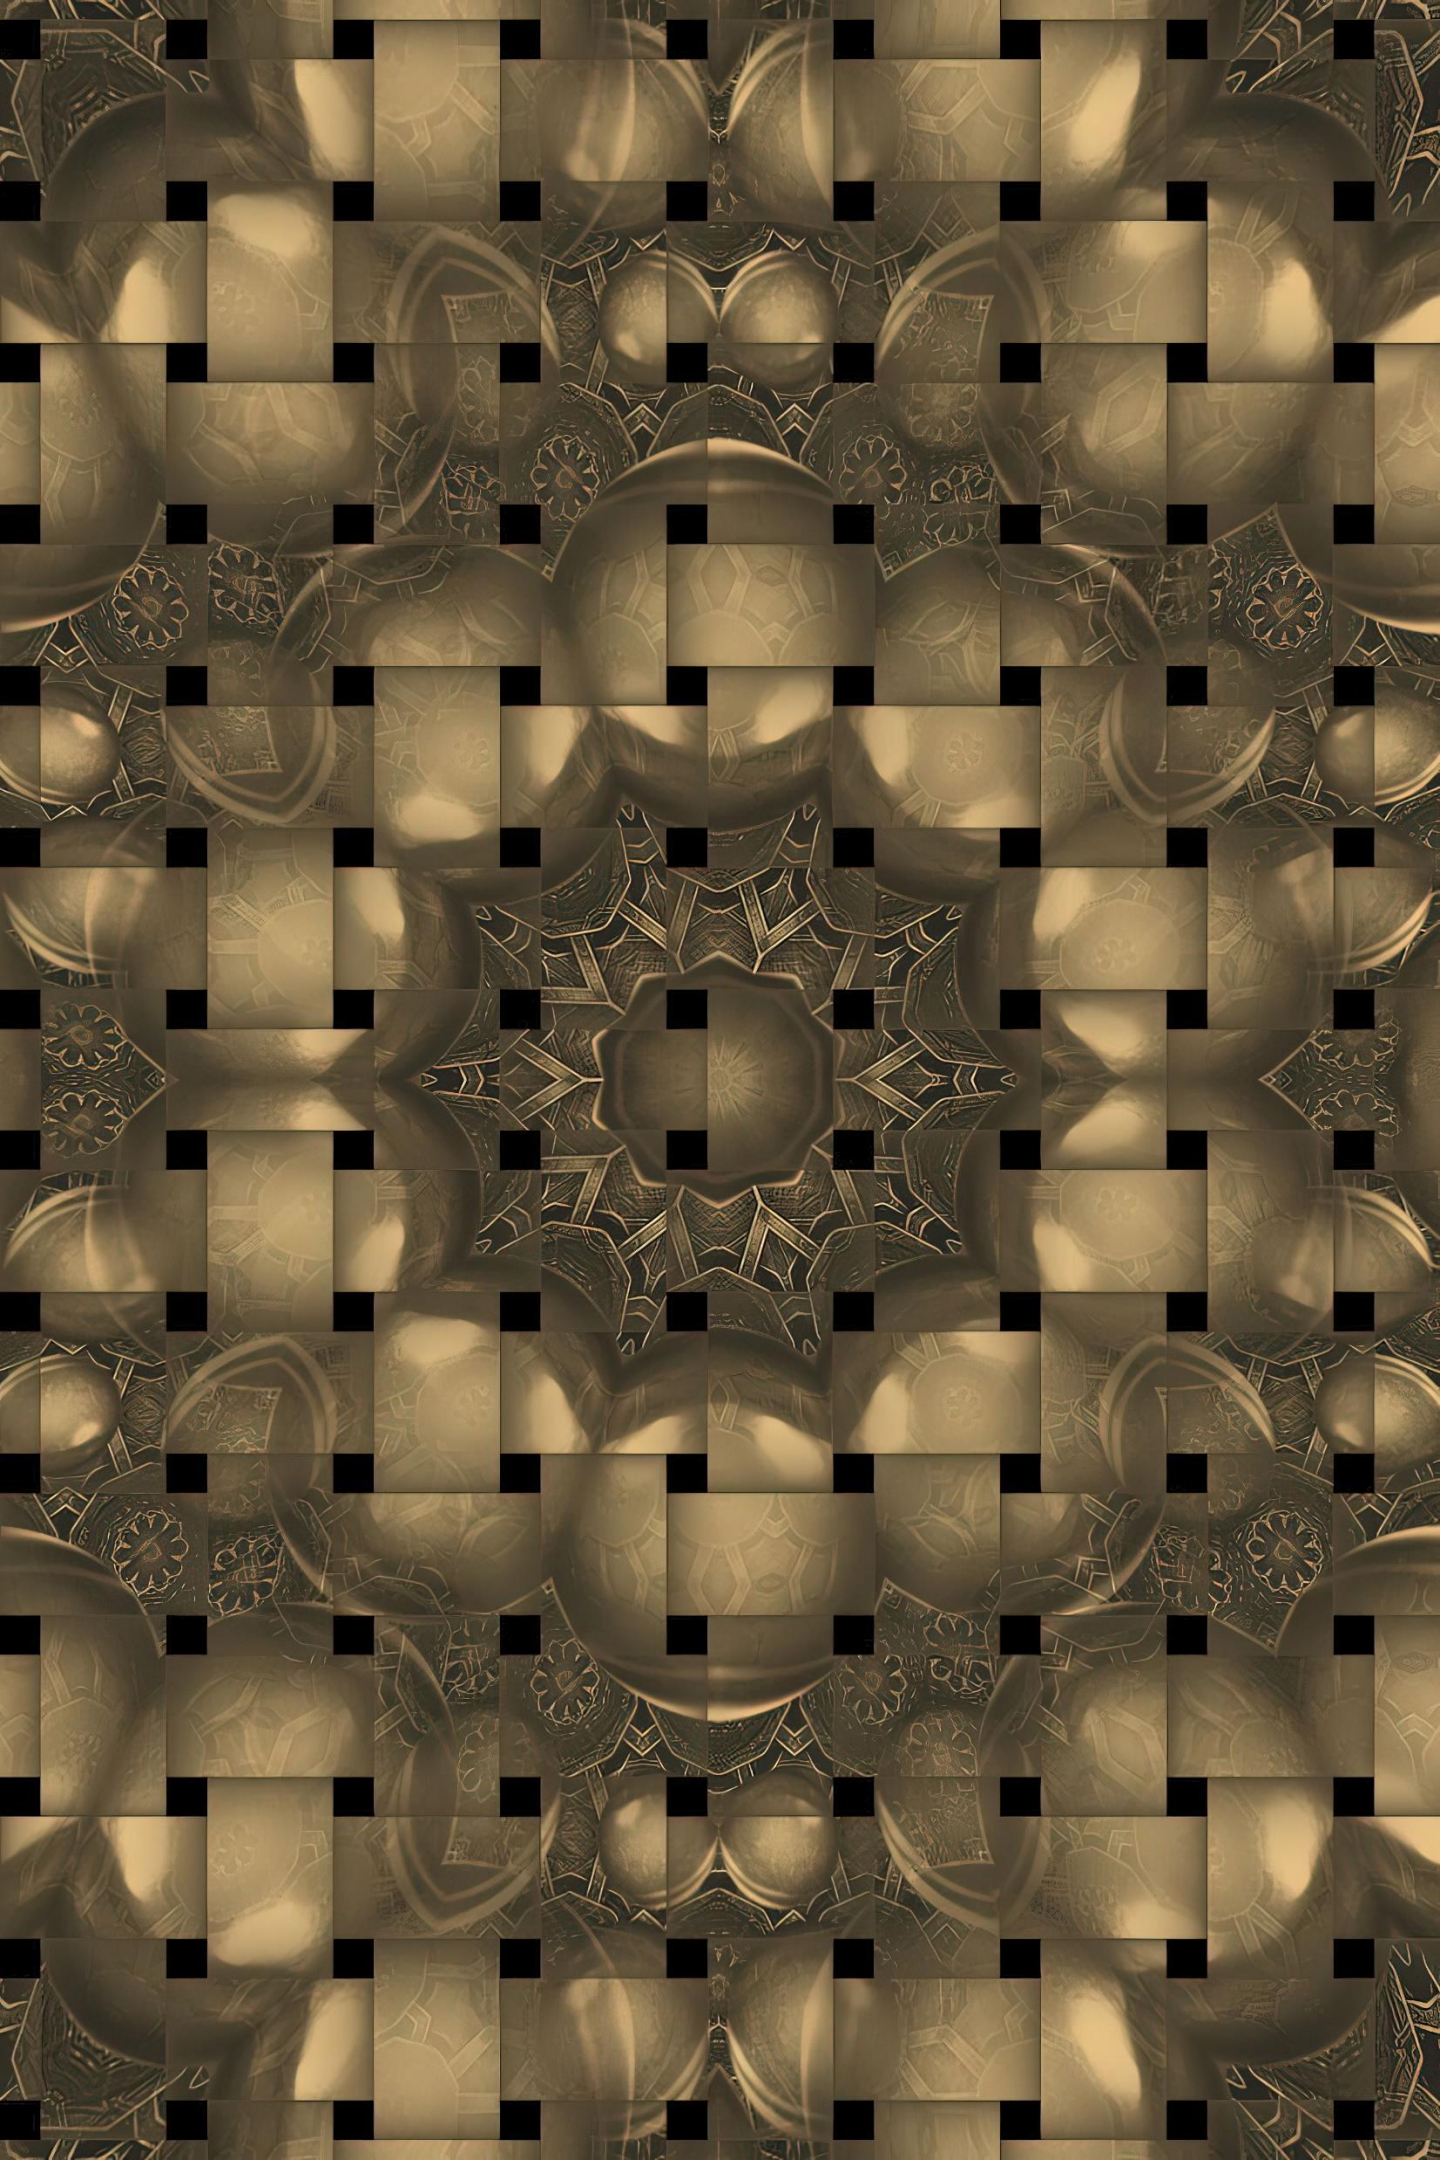

dismissed this story to be (yet) another story of a long dead Beat Generation's attempt to artificially speed up the traditional learning curve of heighten mental awareness through

Emil

A GANZE OILAM TALE OF

ALAM HABA

the gleeful adaption
of the wonders of
modern chemistry
mixed with a bold
dash of really ancient
pharmaceuticals.
And, at first, I was
inclined to agree
with that assessment

A GANZE OILAM TALE OF

ALAM HABA

and just move on but latter research and discussions with several noted gurus in the Tulsa Area; this brought to my attention that there might be a greater universal force at

A GANZE OILAM TALE OF

ALAM HABA

play in this event and
that it may well
foreshadow what one
guru described as my
very self-owned
“Road to Damascus”
movement which
could radically wrap
my timeline in this

Time

A GANZE OILAM TALE OF

ALAM HABA

level of the Multiverse as one of a series of well-known side effects that happen as a direct result of my blackout, lost days. This brings me to a concept that they schooled me while

A GANZE OILAM TALE OF

ALAM HABA

I sat in their store-
Front Palm Reading
Emporium over on
Grand Avenue.
According to them
“Alam Haba” is an
place that is nested in
a transient zone that
exists in-between

A GANZE OILAM TALE OF

ALAM HABA

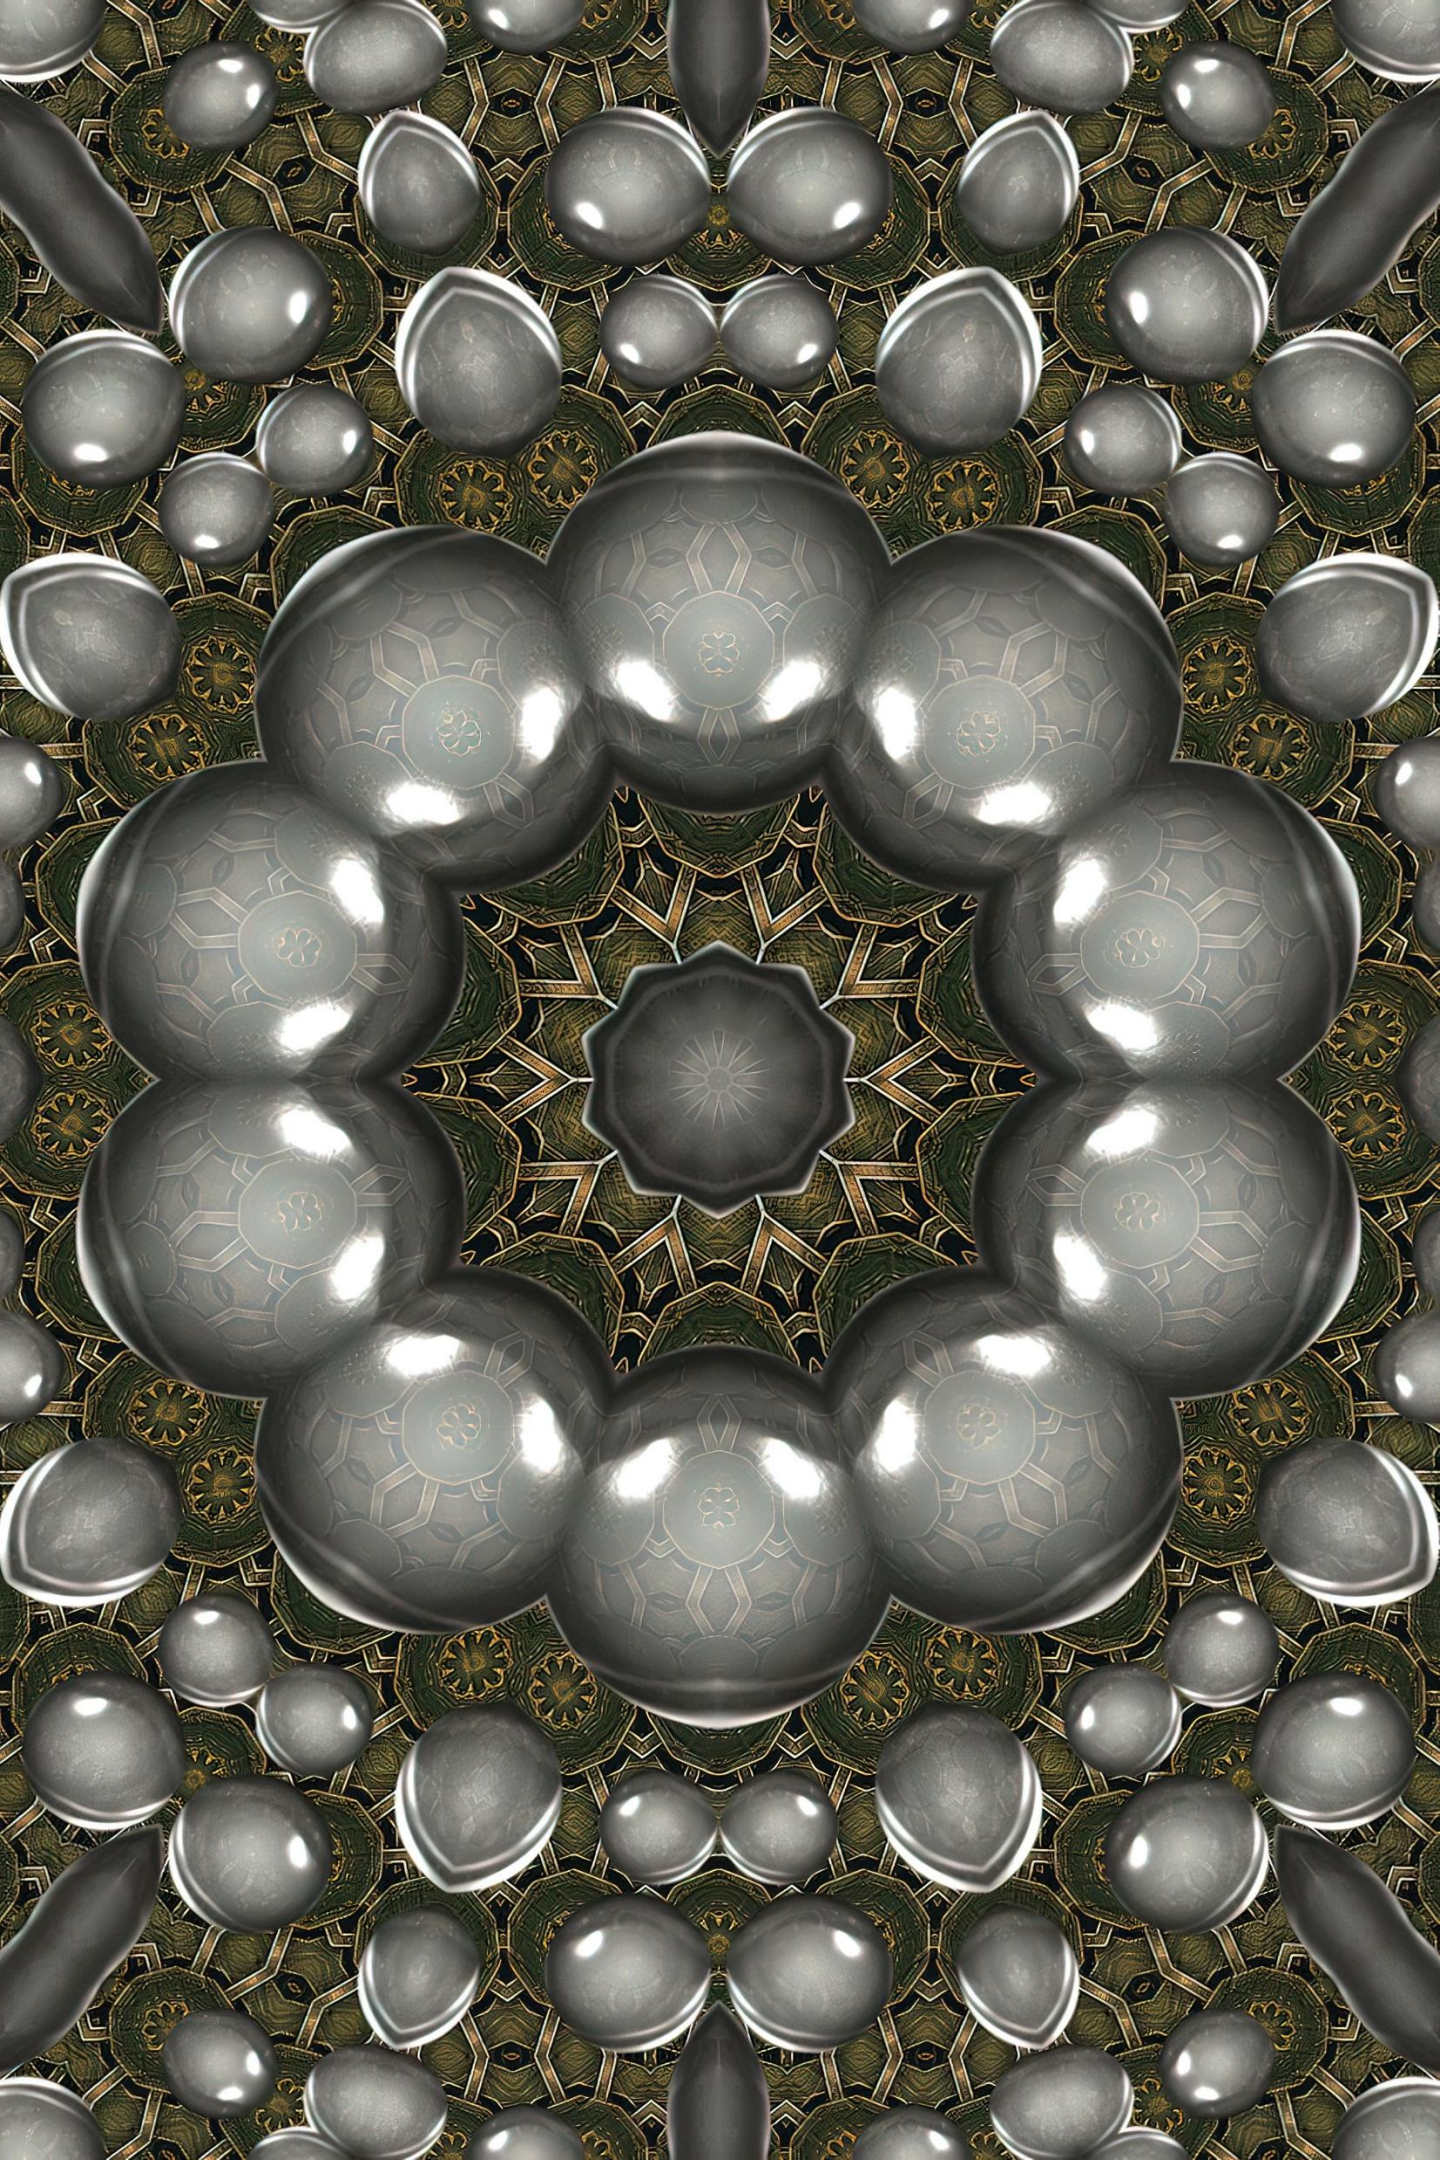

each of the 12 levels of the existing Multiverse (as we understand it to be) where time and space are said to be suspended due to the actual presence of God (or designated

Emil

A GANZE OILAM TALE OF

ALAM HABA

fill-in as even God
cannot be everywhere
at the same time).
It serves as a semi-
official (sanctioned)
transitional portal
from one harmonic
frequency to yet
another (or in

A GANZE OILAM TALE OF

ALAM HABA

simpler, novice
terminology, it is
a transit camp where
one is properly
screened for prior
violations of God's
Code before you are
allowed free
passage into the

Emil

A GANZE OILAM TALE OF

ALAM HABA

"World to Come."
While I could freely
nitpick some, various
parts of their theory
as we all know that
time doesn't exist and
that it was not a
Creation of God but
was a tool imposed

A GANZE OILAM TALE OF

ALAM HABA

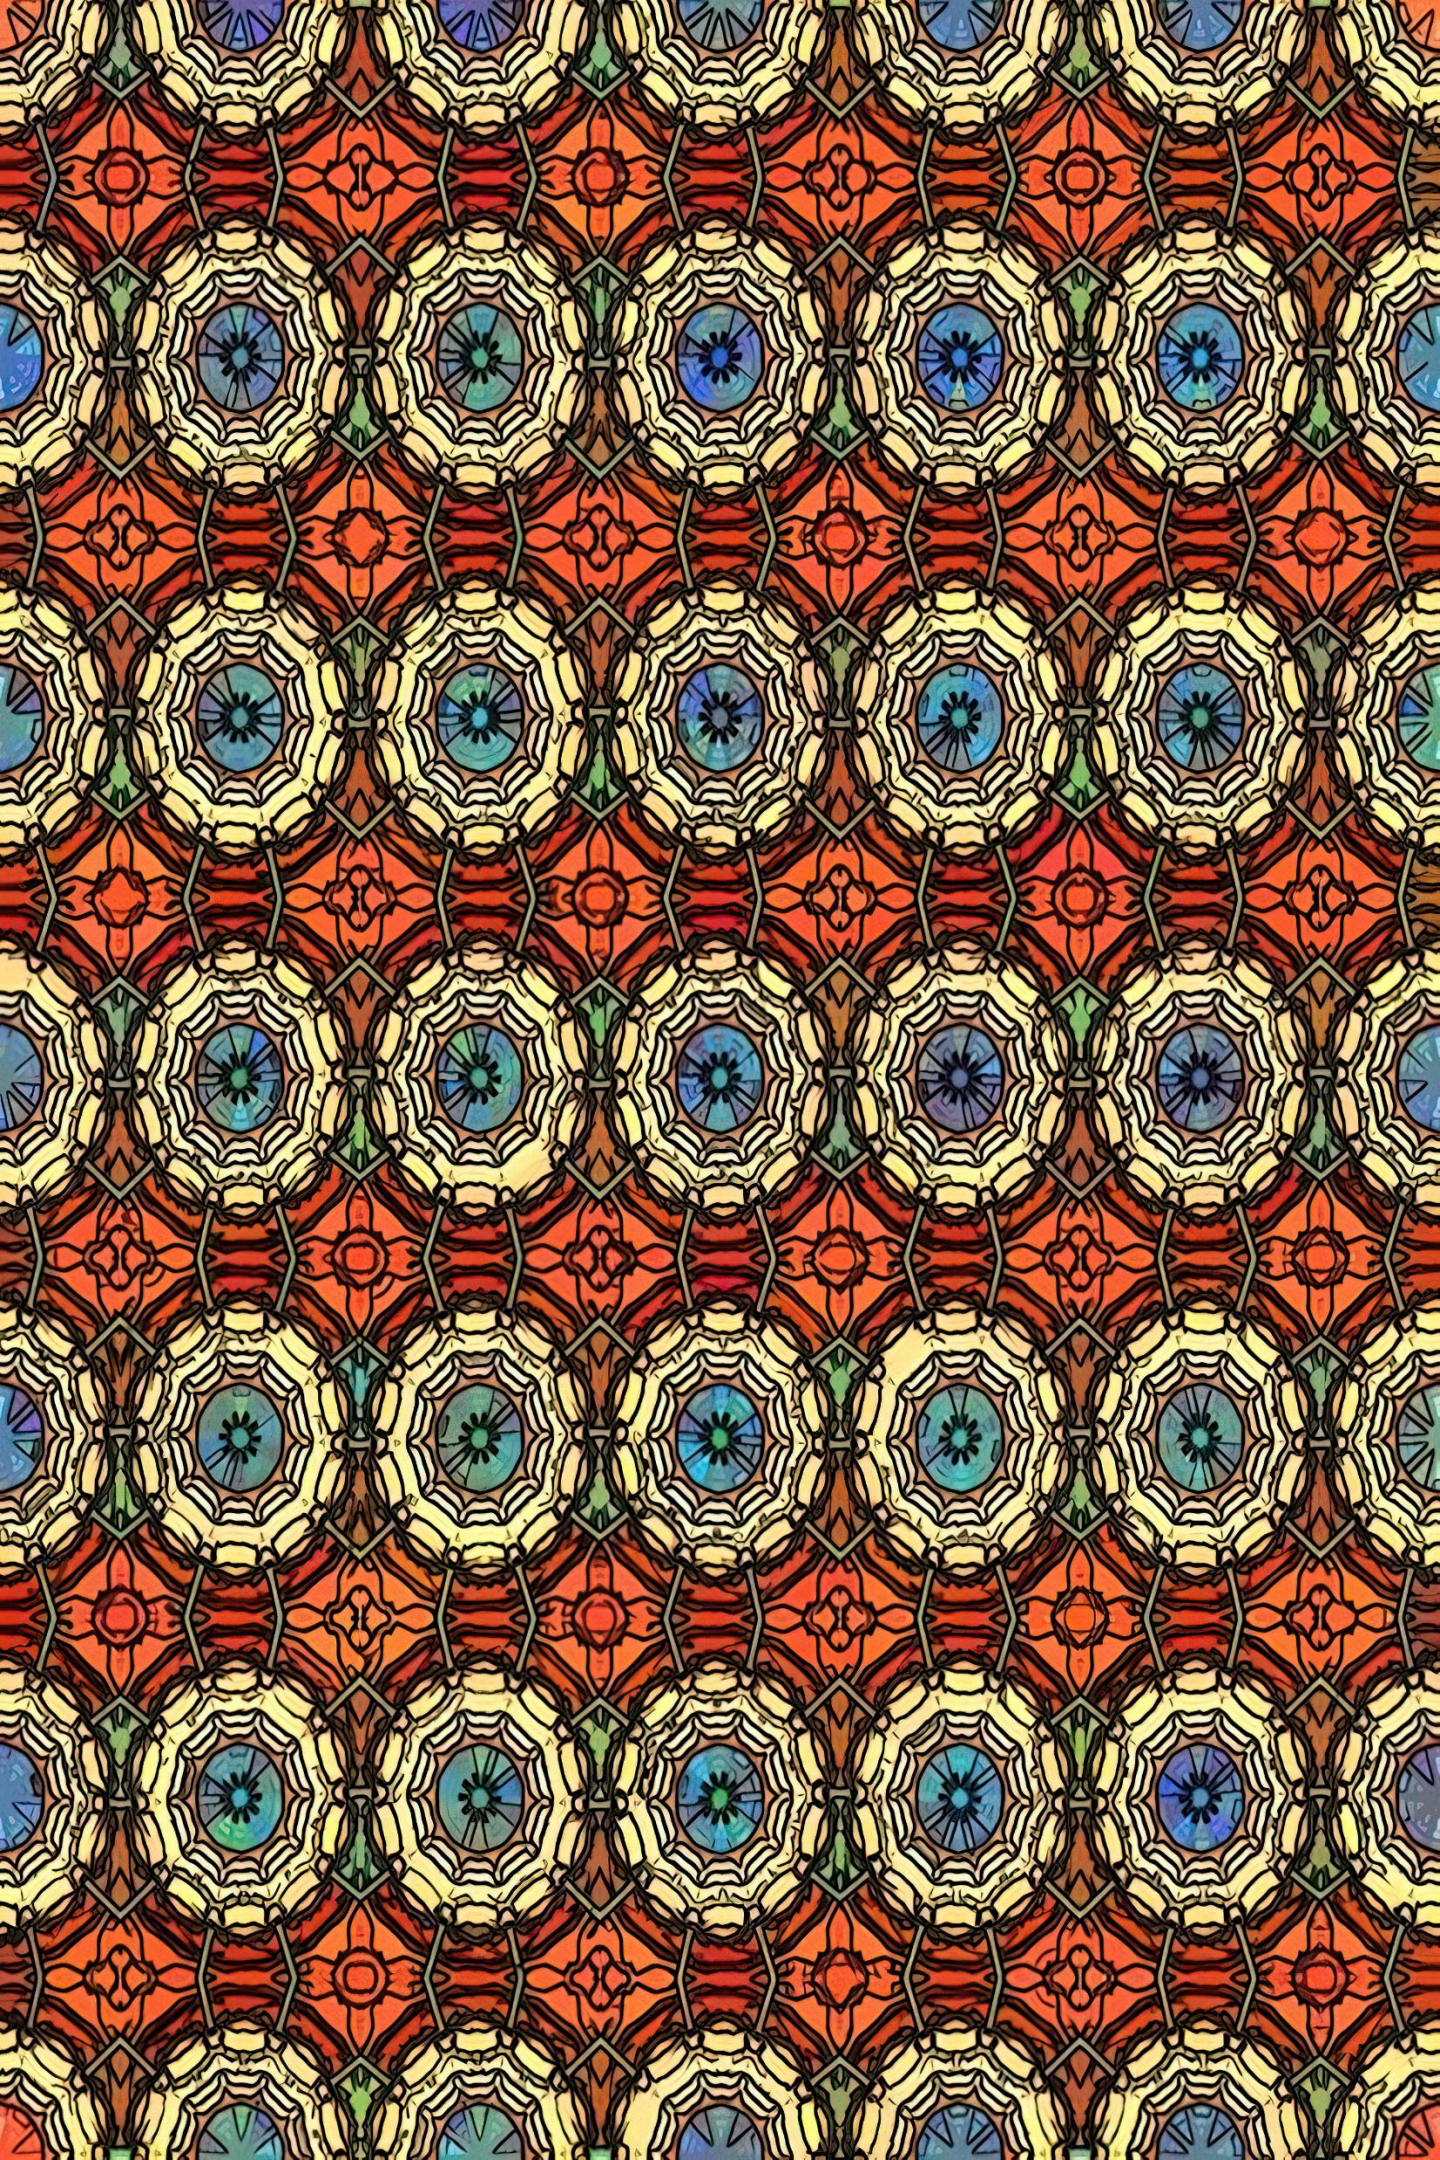

upon the first humans
by their evil, Alien
Overlords as a means
of keep those newbie
human upstarts from
getting “too big for
their britches.”
On the other hand,
they did explain the

Emil

A GANZE OILAM TALE OF

ALAM HABA

three days of lapsed
memory in terms that
even made sense
to me.
The concentrated
mixture of power
drugs both natural
and pharmaceutical
triggered a mental

A GANZE OILAM TALE OF

ALAM HABA

vortex that a
generation of Beats
had failed to ever
achieve in their many
lost years of their
vain, extended
experimentation.
By some fluke
combination of

Emil

A GANZE OILAM TALE OF

ALAM HABA

medication or in some random mutation in my own personal DNA structure allowed me the ability to break the frequency boundaries to reach the Alam Haba Transit

A GANZE OILAM TALE OF

ALAM HABA

Facilities for the
Earth Mining
Colony Number One.
They explained the
lost memories with
common sense Logic
that our mind has a
powerful build-in
cancel button that

Emil

A GANZE OILAM TALE OF

ALAM HABA

will automatically block out most traumatic, bad experience(s) by deleting the load codes for any such memories.

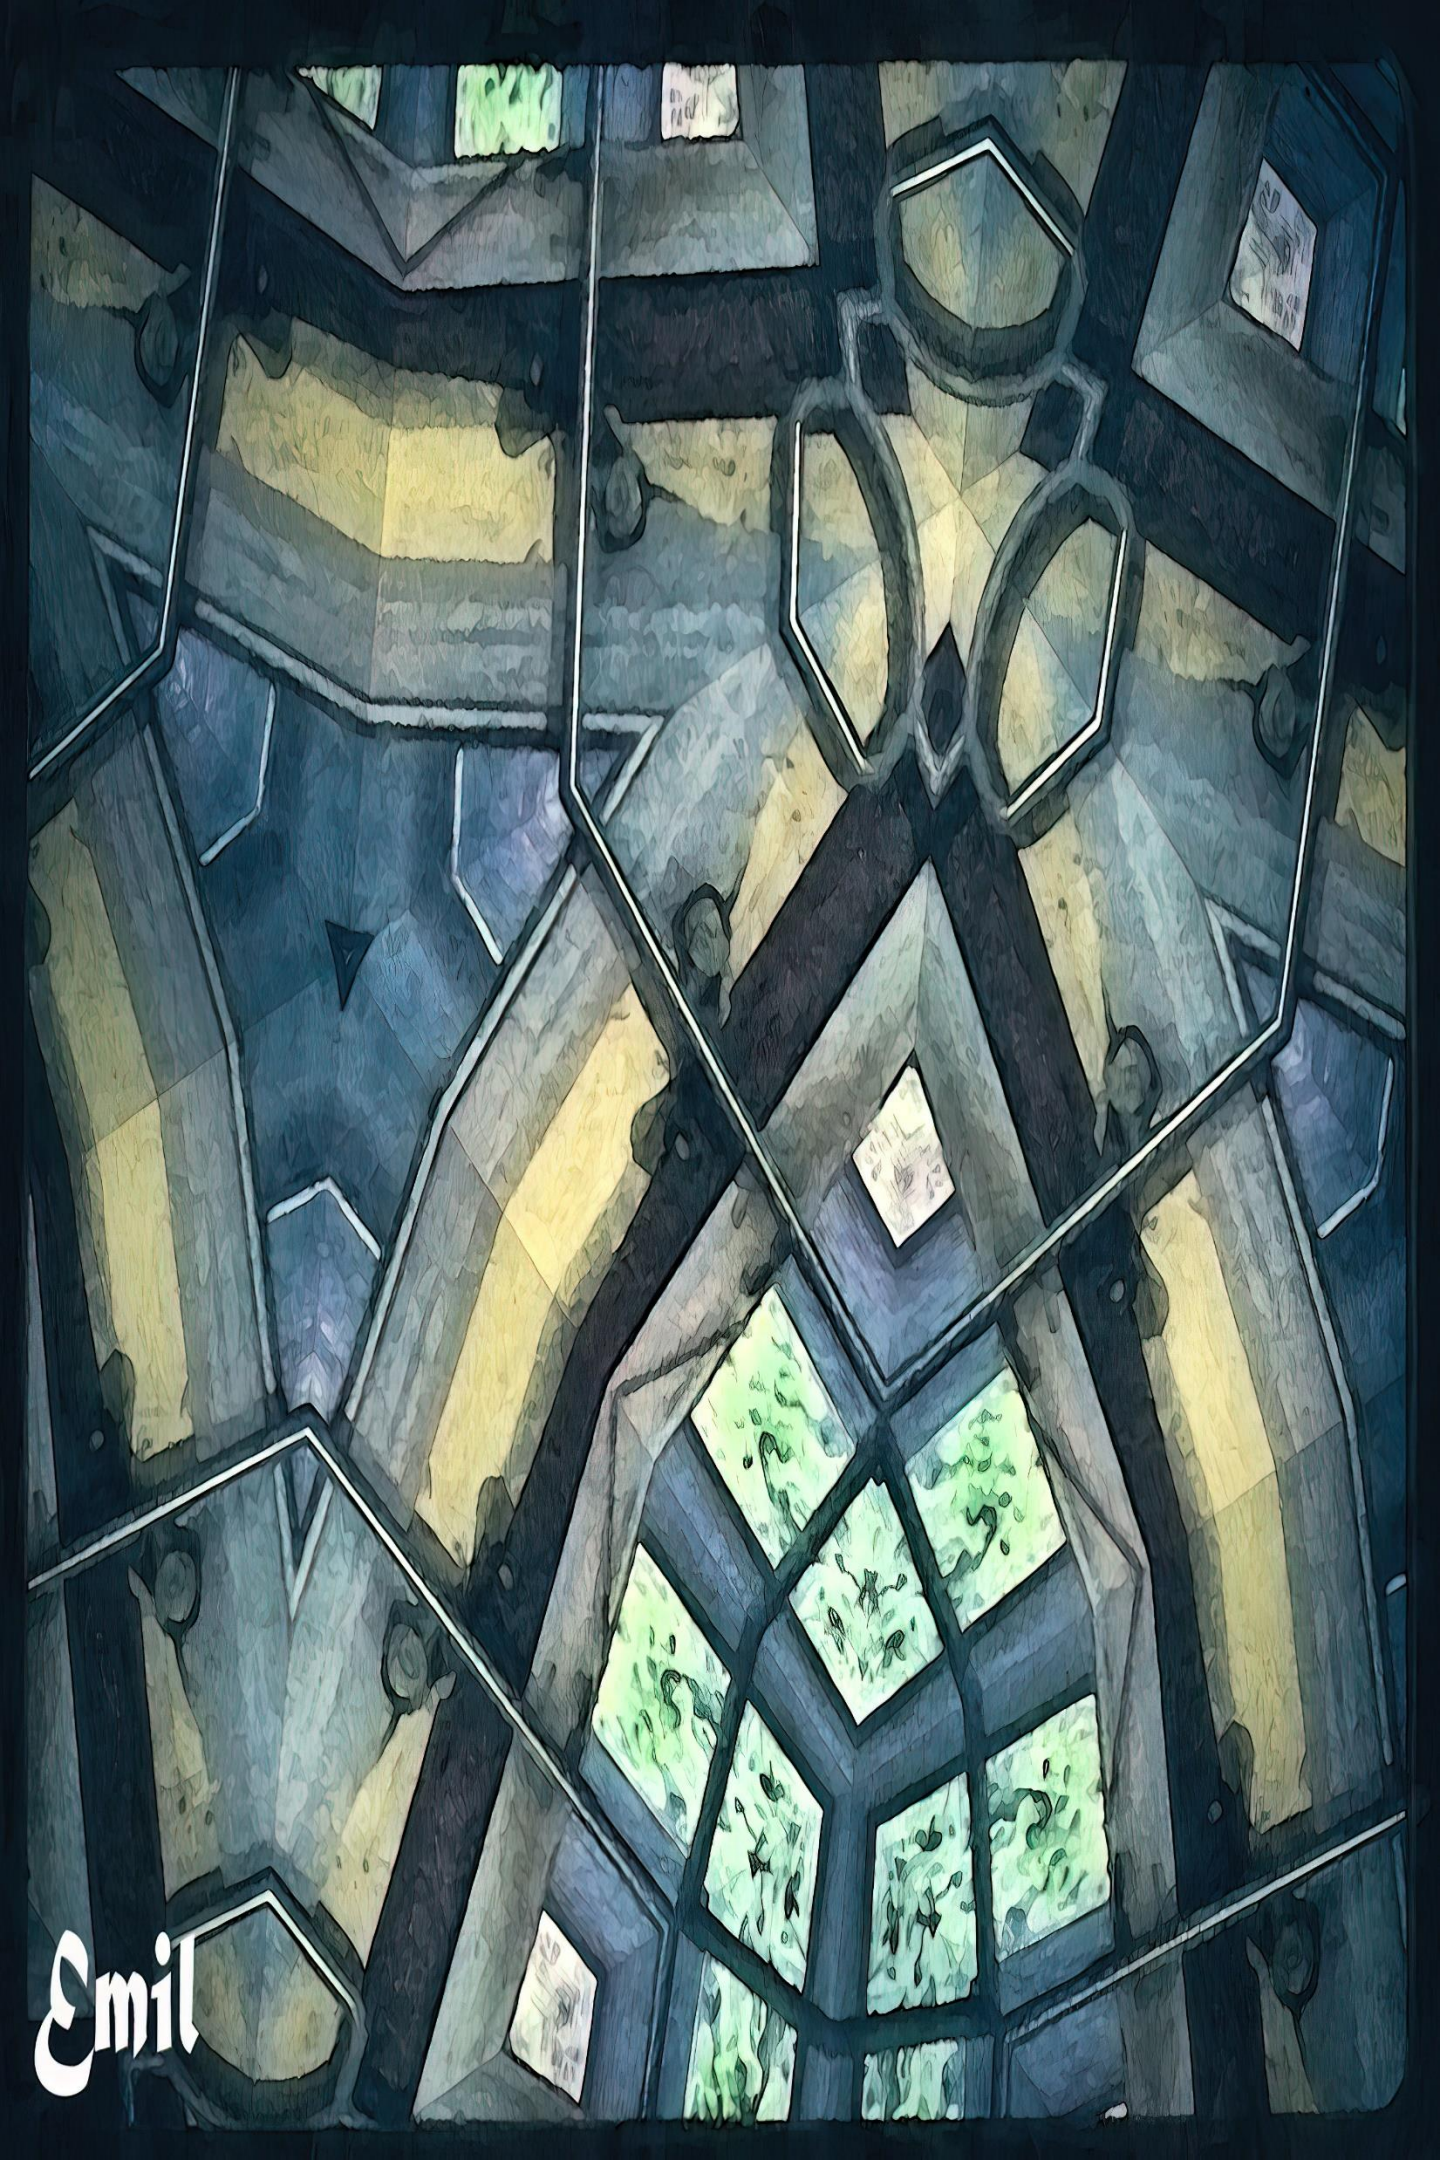

Seems that our brains operate like

A GANZE OILAM TALE OF

ALAM HABA

a nano, organic
computer with a hard
drive (memory) that
become more
fragmented as we
utilize it.
I believe this to be
true as my long,
gone Brother John

Emil

A GANZE OILAM TALE OF

ALAM HABA

constantly schooled
me to the reality of:
“A mind is a terrible
thing!”
I get both of their
points that in a
roundabout way gets
back to the same
point to not over

A GANZE OILAM TALE OF

ALAM HABA

think anything as like your computer's hard drive; it has limited number of hours of usage built in before it starts to crash and needs a complete reboot.

Which, by the way,

Emil

A GANZE OILAM TALE OF

ALAM HABA

these guru's do offer a deluxe version of mental "Reboot" service for a mere $49.88 (with an easy, monthly payment plan from Al's Payday Loans Inc.).

To be truthful,

Emil

A GANZE OILAM TALE OF

ALAM HABA

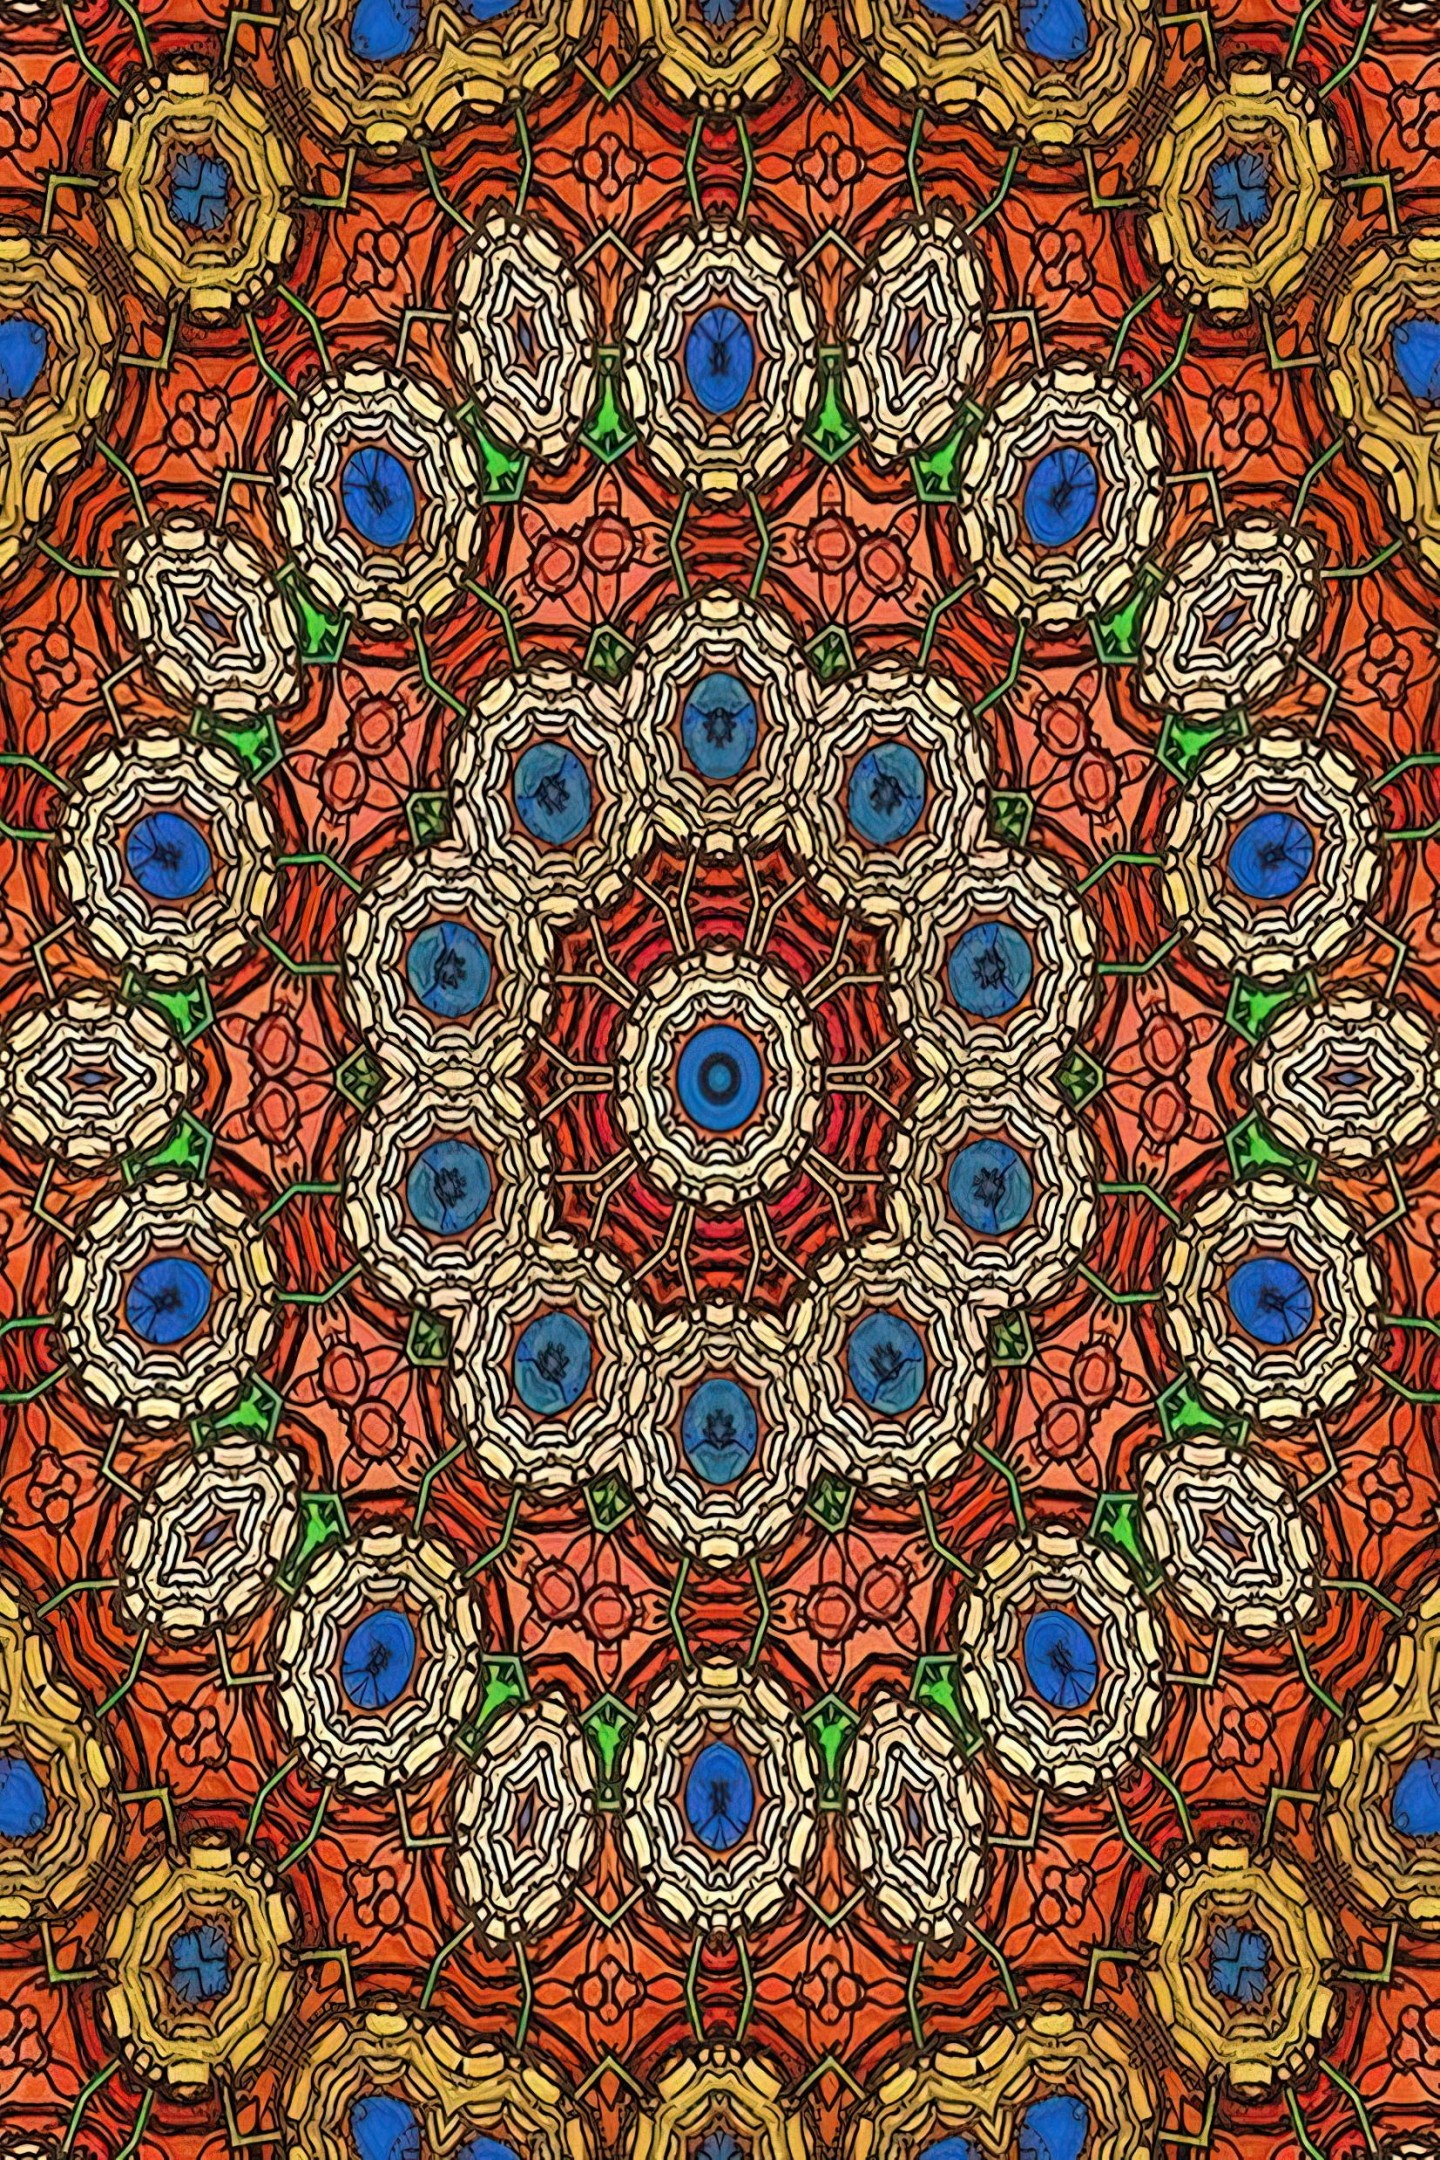

I don't know if any of
this is true and to be
even more frank;
I never was concerned
with this before
I woke up 1,000
kilometers from my
last known point
with no memory

Emil

A GANZE OILAM TALE OF

ALAM HABA

and a (should I say)
borrowed motorcycle
of a somewhat
unknown legal
ownership too…
I would be keen to
better recall or (at
least) be able to
revisit those lost

A GANZE OILAM TALE OF

ALAM HABA

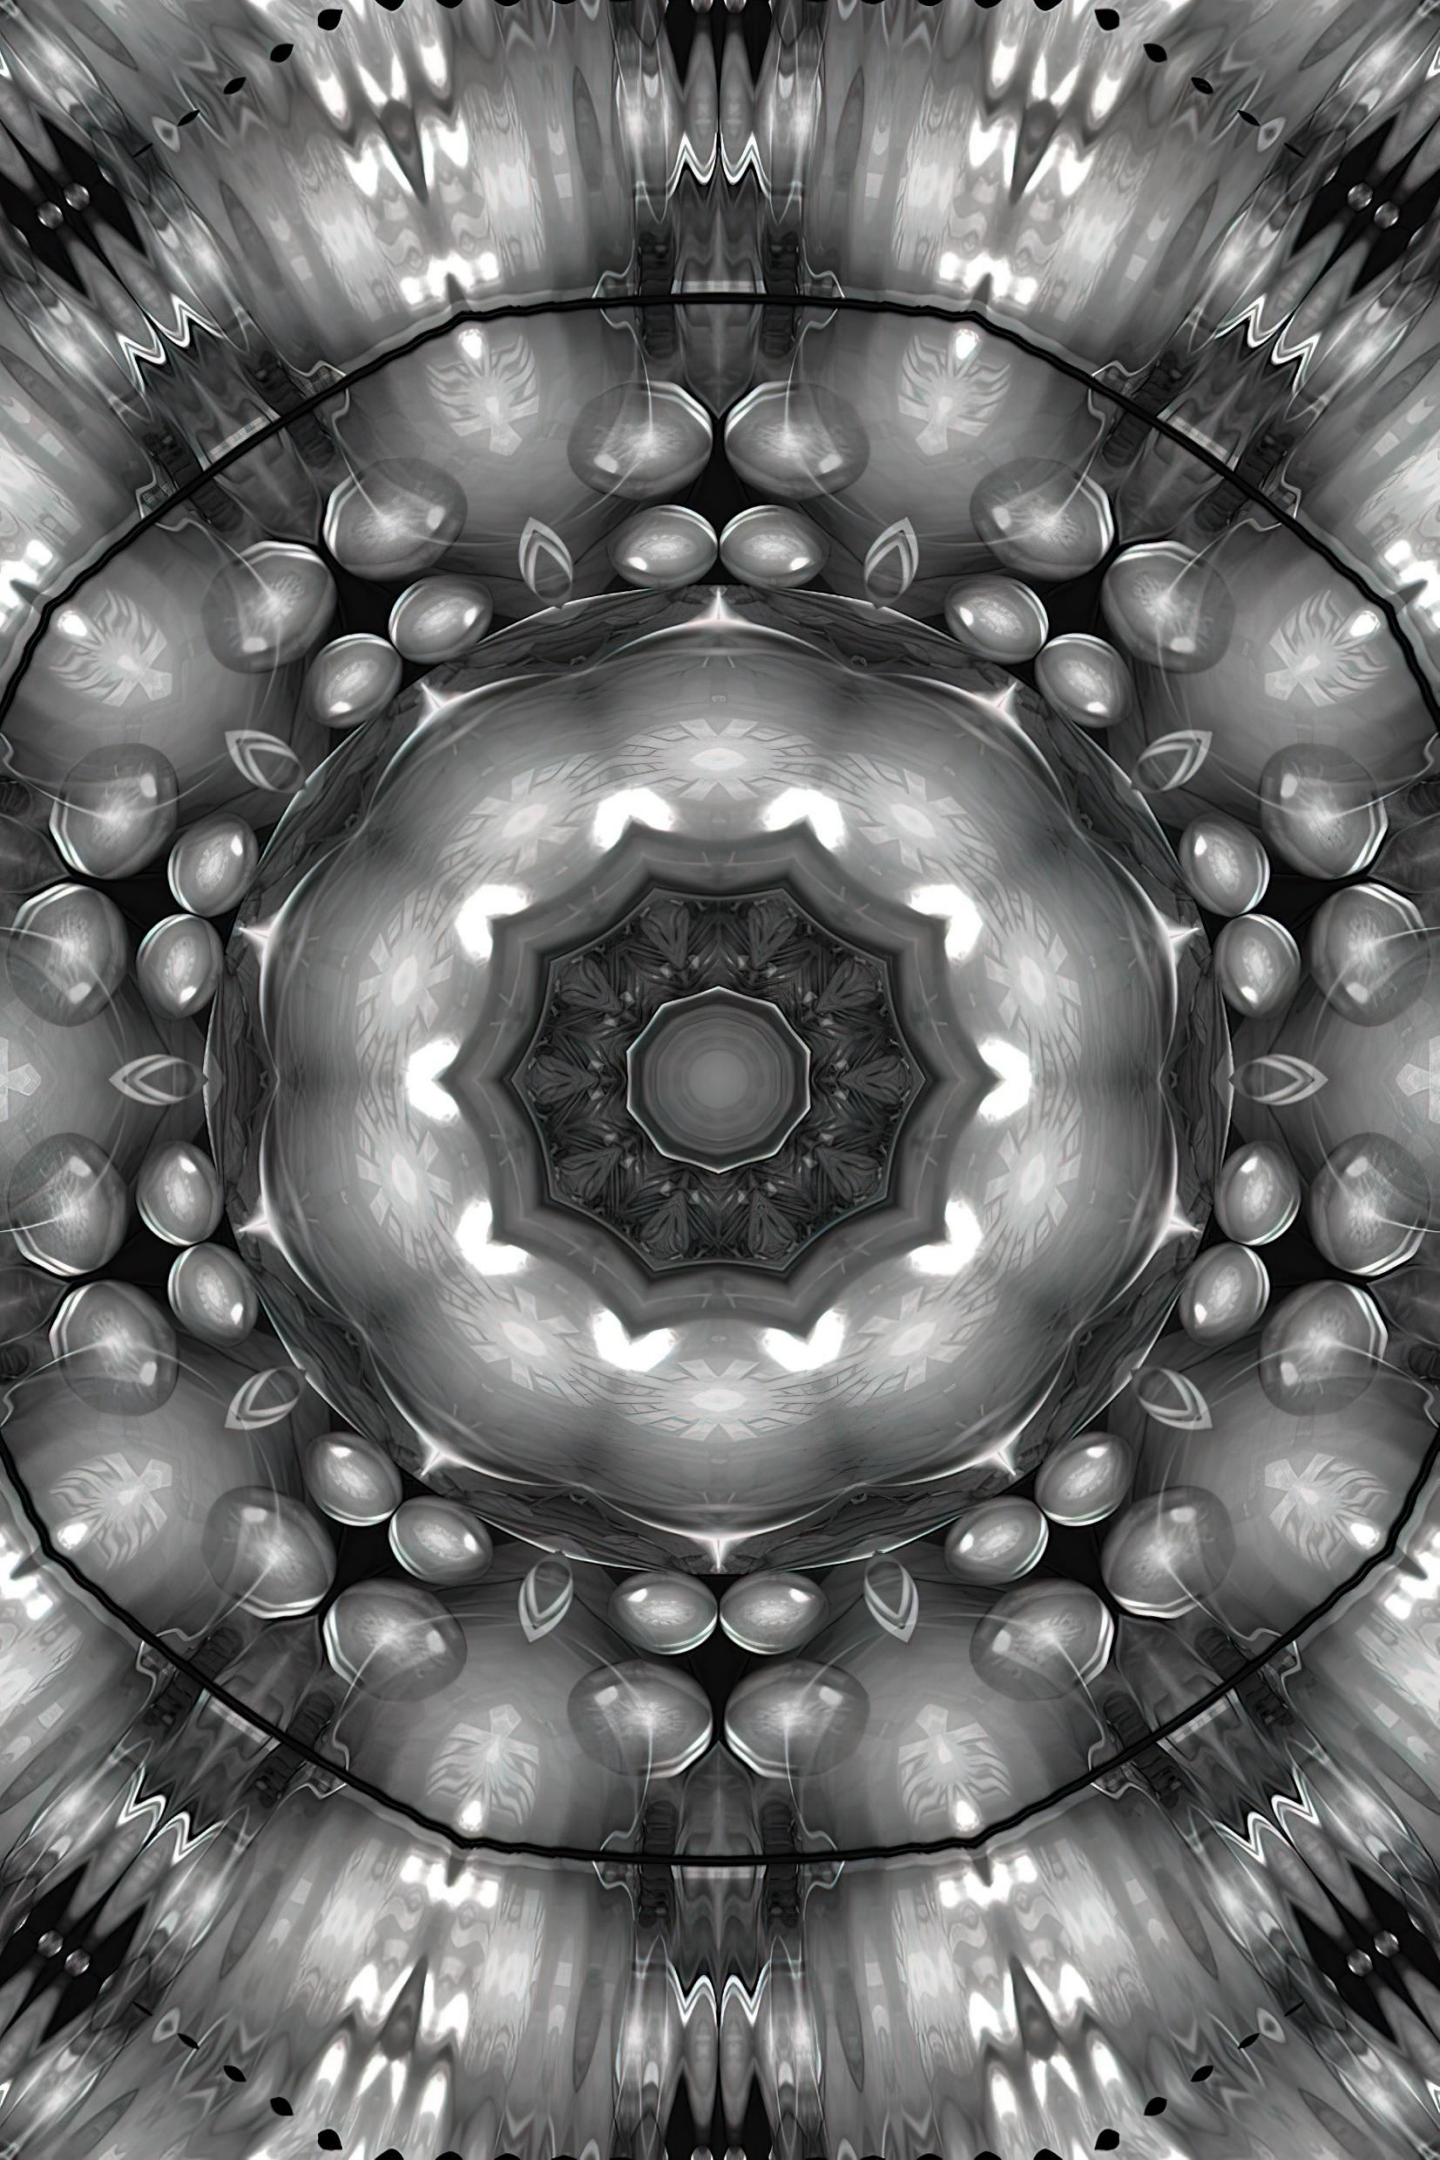

days which I can
derive from this
notepad must have
been one
“Hell of a ride”
to a place, a portal to
the edge of human
thought’s ability, to
openingly perceive

Emil

A GANZE OILAM TALE OF

ALAM HABA

or phantom the true
scope of the universe
and not being the
Shadow (or God)
I am at a lost to
put into words.
One must stop and
wonder what kind of
trouble I could have

A GANZE OILAM TALE OF

ALAM HABA

stirred up there in
those shrined Halls of
Haba Judgement?
It would be nice to
know what happened
that was so traumatic
that my brain froze
up solid and then,
crashed...

EMIL

A GANZE OILAM TALE OF

ALAM HABA

It would be very
helpful to know if
there is some form of
an outstanding
restraining order for
me just in case,
I might be in the
planning stage for
yet another Hobo

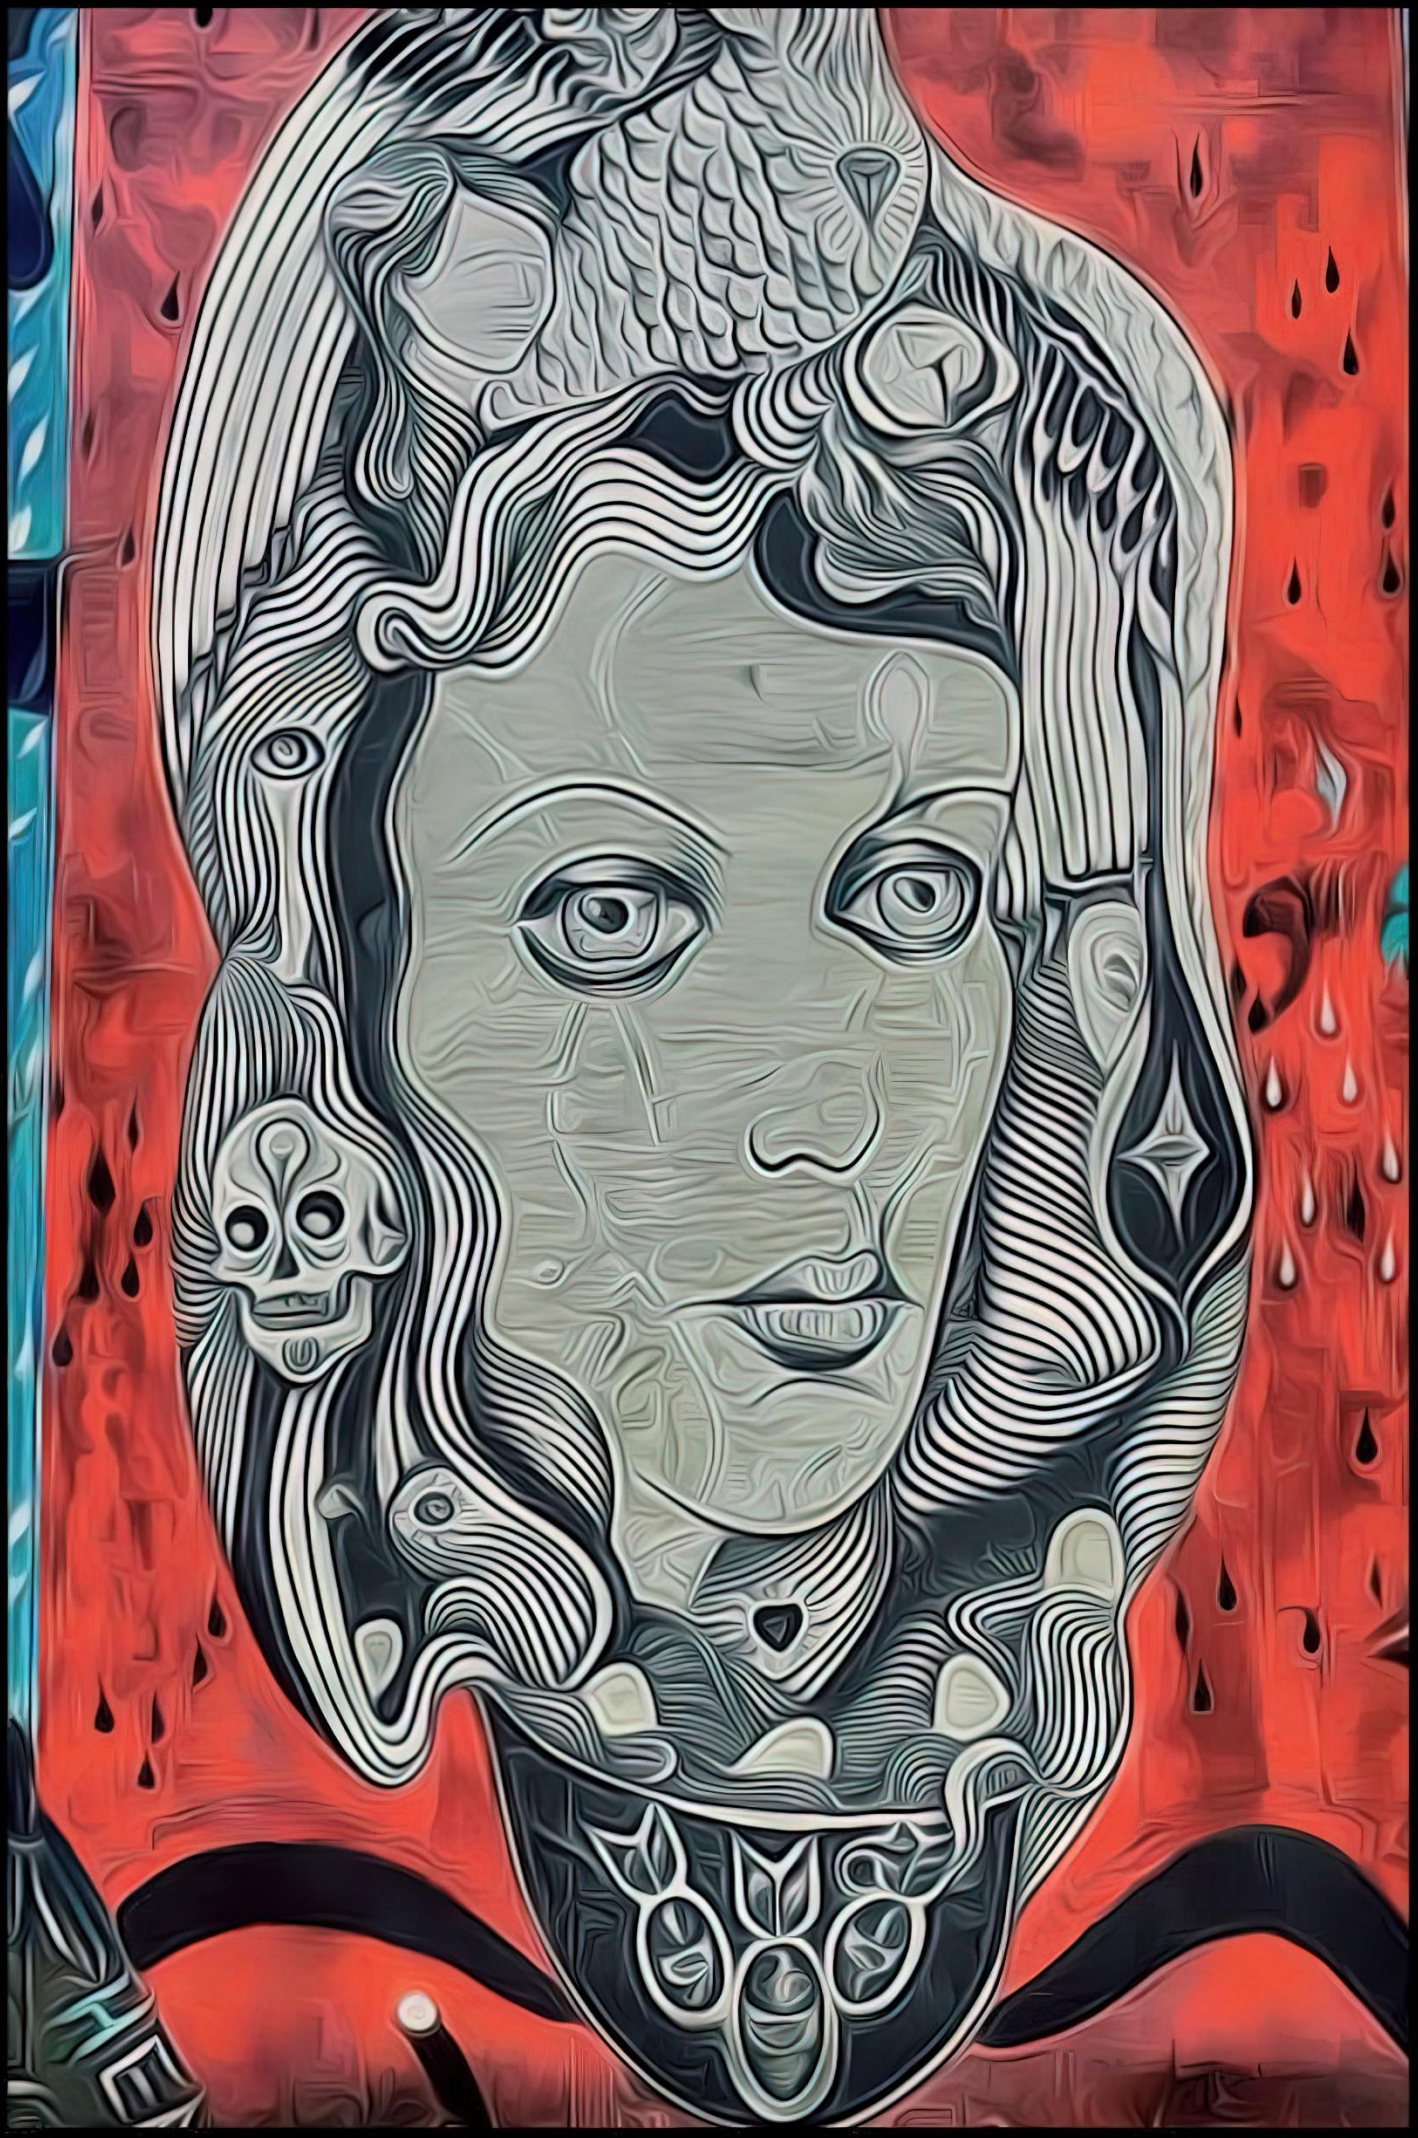

A GANZE OILAM TALE OF

ALAM HABA

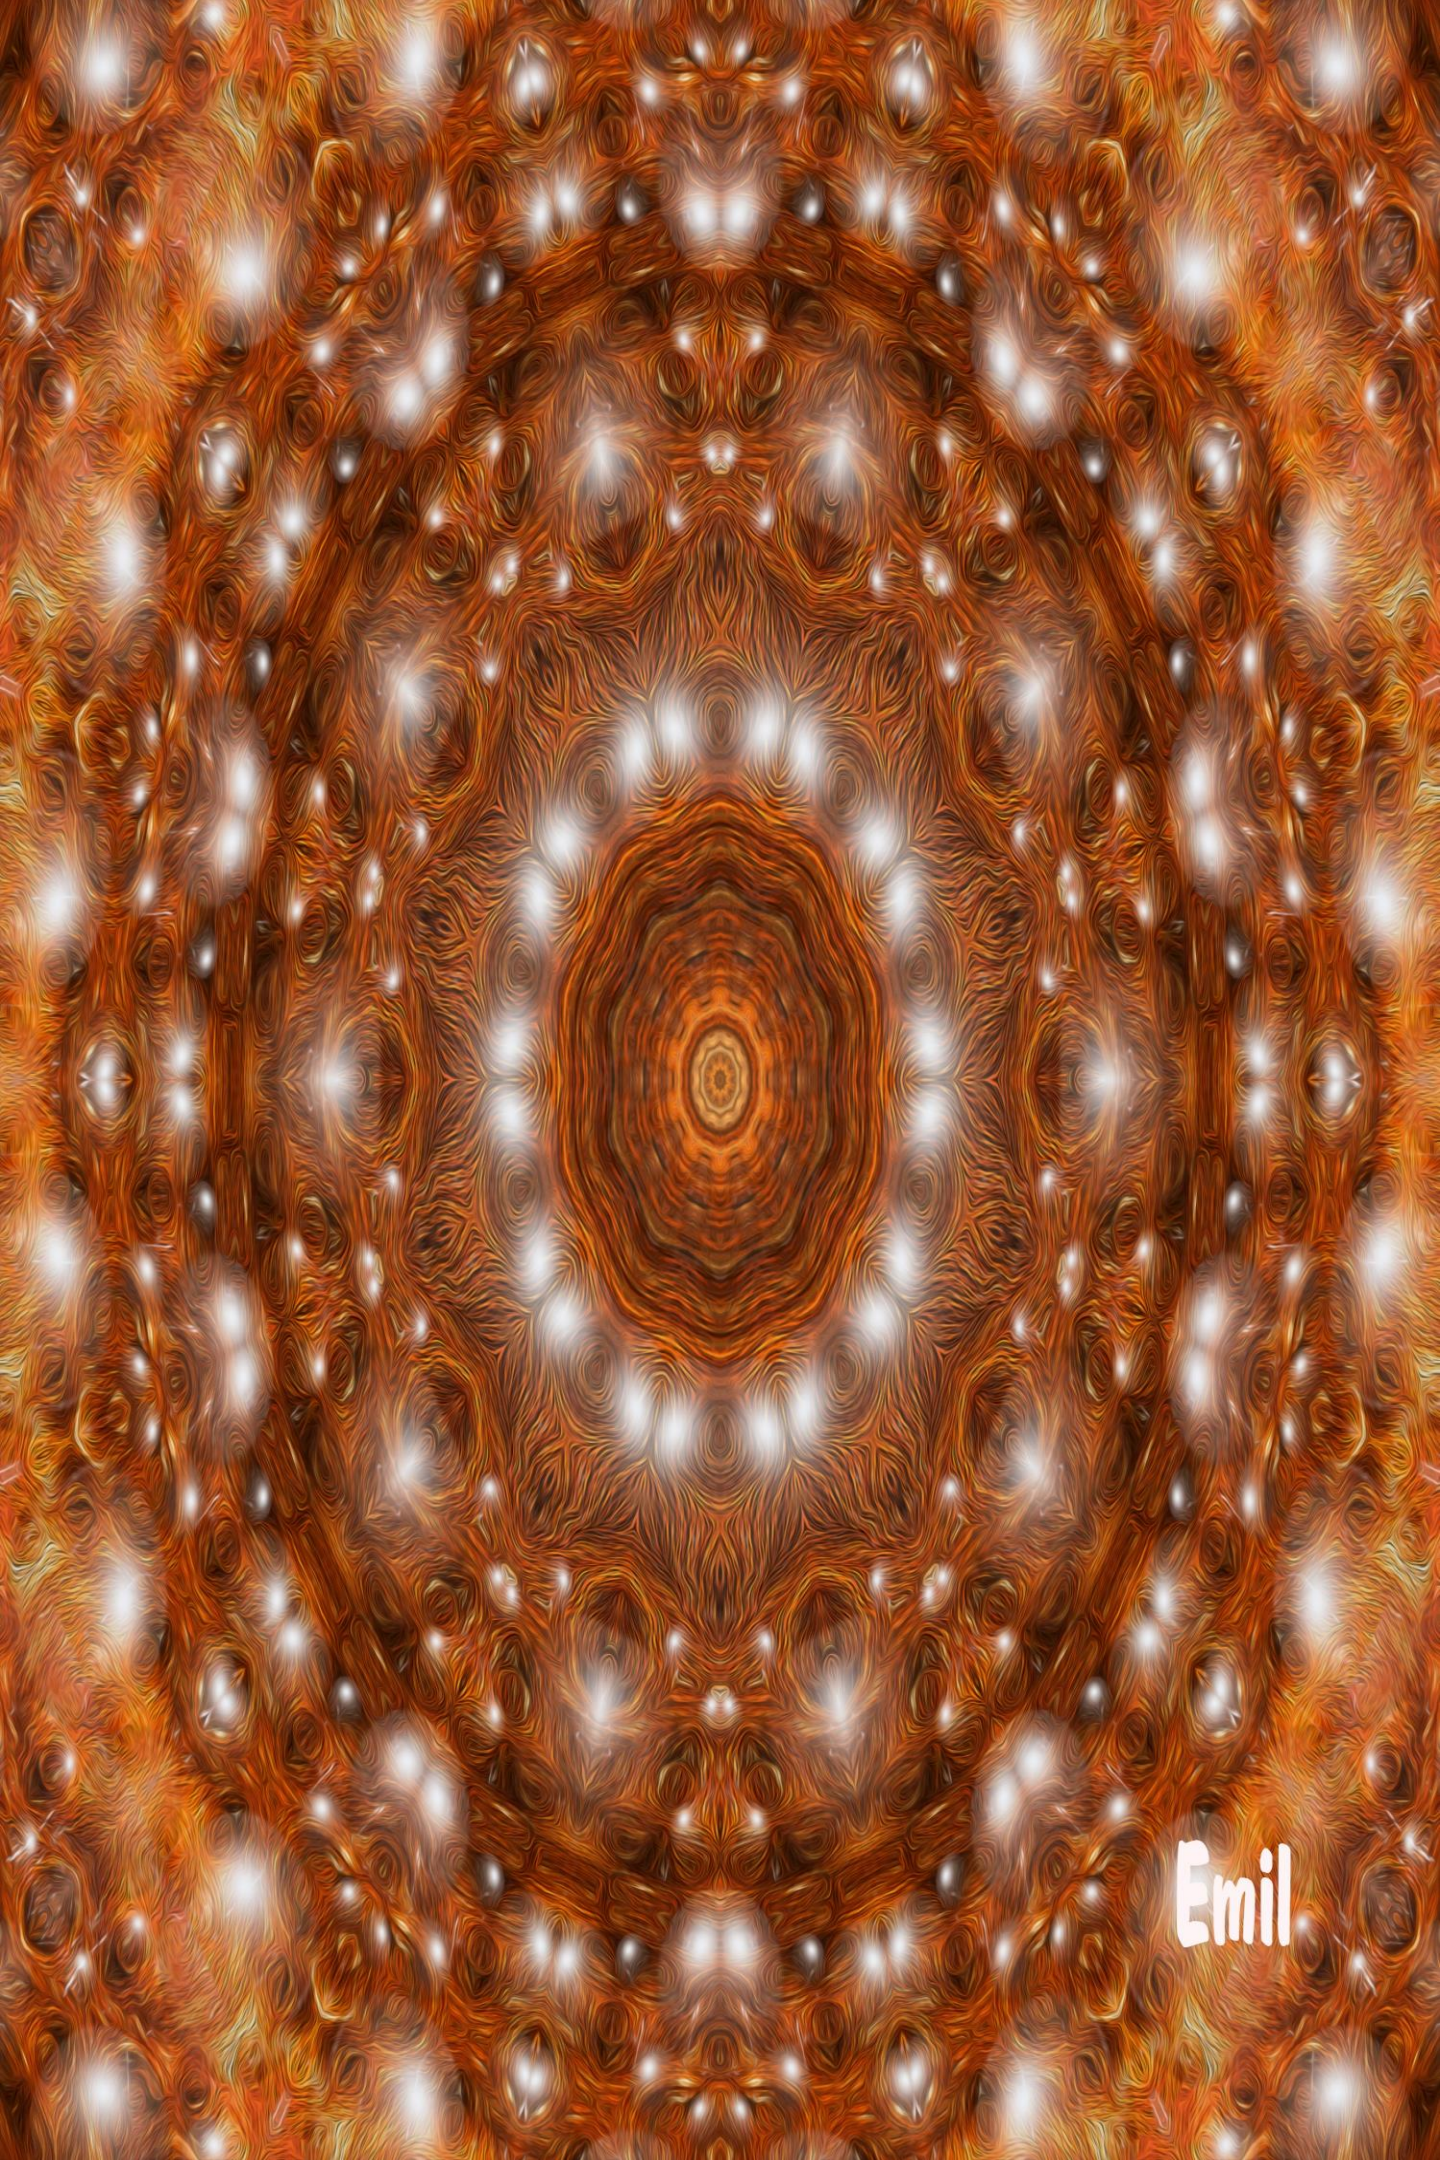

Adventure to the
Alam Haba.
This time with
my camera!
